# THE PRESIDENT'S MESSAGE

As you have probably noticed by now, Sidelights looks slightly different than it had before. I am pleased to announce that we have a new Editor for Sidelights, Laura Cielenski. She has been Editor for the Thunderbird Club's publication for some time and has agreed to assist us with continuing ours. The publication will be similar to how it has been before but will of course have some minor changes.

The most important thing is material. Without material to add in, there is not much of a publication. A new e-mail address has been set up to e-mail Laura articles, or ideas for Sidelights. It is [aaca.sidelights@gmail.com](mailto:aaca.sidelights@gmail.com). We are always looking for ideas and suggestions so please feel free to send a message out with what types of articles you specifically enjoyed seeing in Sidelights or articles you would like to see in future issues.

Car season is finally starting to arrive and there have been a handful of events and many more upcoming. Please keep a lookout for information and flyers on them. A major event upcoming is the Auto Show at the Sandwich Fairgrounds hosted by the Silver Springs Chapter. It is a wonderful "old-school" car show and swap meet hosted in a wonderful setting. If you have not been before, put it on your calendar. It is Memorial Day Sunday, May 26<sup>th</sup>. As in the past, there is a free tour offered by the Region for those who wish to caravan down to the show. It will begin in

## Illinois Region Board Meeting Minutes

March 30, 2019

Host: Fox Valley Chapter

Mt. Prospect Library

**Roll Call:** Present: Chris Schurrer, Dan Sobczyk, Darlene Sobczyk, Bob Wenderski, Lee Nelson, Bob Market, Andy Voss, Bob Markert was proxy for John Otto, Steve Kolish, Nancy Nelson, Jerry Bodden, Jim Sikora, and Joan Bodden was proxy for Joanna Vroman. Excused: Al Matison, Dale Woosley. Guests: Gary and Debbie Smithe; Laura Cielenski.

**Secretary's Report:** Nancy Nelson made a motion to accept the minutes as written. Bob Markert seconded. Motion passed.

**Treasurer's Report:** Bob Wenderski reported an opening balance of \$23,386.00 as of February 9, 2019. Income totaled \$303.00. Expenses totaled \$1,364.30. Closing balance as of March 30, 2019 of \$22,324.70. For the year so far, we are in the red of \$230.88. Bob Markert motioned to accept the report. Lee Nelson seconded. Motion passed.

### **Standing Committee Reports:**

**Membership** - Andy Voss reported currently we have 149 memberships with a total of 262 members. Andy summarized the cost to produce one roster: \$3.06 of which \$1.45 is for mailing. He purposed to email the rosters to all who have email with hardcopies only to board members and those without email. After a discussion, members who want only the email copy not be sent a hardcopy and that most members prefer hardcopy; we will continue to mail out the roster. Chris stated National is offering a first time member of AACA free one year membership and reminded us, the region does the same. Chris pointed out at one time we had a pamphlet describing our club and the chapters - did we want to produce one again? Following a discussion, we would look into new pamphlets - depending on cost.

**Publication** - Laura Cielenski who is the current newsletter editor for the local Thunderbird car club (CTCC) and her Condo Association provided a presentation of her current work. She will be doing the Sidelights on monthly basis starting May 1, 2019 for us. The secretaries of each chapter with the exception of Waukegan/North Shore (they have a sidelights reporter) and the region secretary will forward Laura details of events (both past and future) for the region and chapters. She would like the information no later than the 20<sup>th</sup> of the month. Laura will be setting up an email address specific to the club. More details to follow.

**Legislation** Lee Nelson reported nothing much was happening. There are some rumblings of fees being increased, but nothing concrete. All antique plates will be expiring at the end of the year.

**Website** - Dan Sobczyk reported he was up to date. He also reported he will be doing the March newsletter by weeks end.

**Archivist:** 1) Chris Schurrer handed out a summary of the items he has accomplished since our February meeting. He is not up to date yet, but is getting there. And he still has a list of things he is working on. 2) Regarding the Antique Automotive Magazines, they will be given to National either at Hersey or Auburn. Bob Market and Bob Wenderski volunteered to deliver them for Chris to Auburn.

(continued on page 7.....)

(continued from page 6.....)

### **Region Activities:**

**Swap Meet** - Bob Markert stated they still need volunteers for Sunday from 8:00am to 1:00pm. Saturday is set. The food vendor is all set and if the weather is nice wants to set up outside. 28 vendors have signed up for 33 spaces and there are 5 pending vendors. No vendors are assigned the detail room yet, but that area normally is for the vendors who come the last minute on Sunday morning. There will be a club table this year.

**Spring Tour** - Dan Sobczyk reported we will be going to Racine area due to pricing of hotels and requirements in the Lake Geneva area. Hotel will be about \$129 for the one night not including taxes and fees. Tour will be June 8<sup>th</sup> and 9<sup>th</sup>. It was discussed that in the future moving the tour back to May, since hotel rates spike after the Memorial Day holiday.

**Region Car Show** - Per Bob Markert - we will be back at Cantigny again this year. The show will be the third Sunday, July 21<sup>st</sup>. Cantigny decided to waive their charge this year and they will be advertising the show on their website, Facebook, etc. Bob and two other members will be visiting the site to review parking situation etc. Dan Sobczyk explained Little City suggested we wait till next year since they will be moving into their facility at the same time as the show which might cause some problems. A discussion followed about whether or not to move the show; subject was tabled till after the show to see what accommodations Cantigny provided us.

**Fall Tour** - Per Lee Nelson still currently looking at the Indianapolis area. He worked on tour this past week-end

### **Chapter Reports:**

**Des Plaines Valley:** Per Lee Nelson - The 23<sup>rd</sup> of March, they had a tour along with the Terraplane/Hudson group to the Lederer collection. There were about 60 people who attended; they toured the car collection, the upholstery shop and the fabricating area. Afterwards the group went to Sweet Baby Rays for lunch..

**Fox Valley:** Dan Sobczyk reported on Sunday May 5<sup>th</sup> from 4 to 7 pm they will have their pizza party. He is working on the spring tour.

**Silver Springs:** Andy Voss reported for Al: May 4<sup>th</sup> they will be having a one day tour in Rockford; July 28<sup>th</sup> another one day tour in Rockford; and working on the Sandwich show for May 26<sup>th</sup>.

**Old Business:** None.

**New Business:** 1) Chris presented the Lichtfeld Award for Sportsmanship to Gary and Debbie Smithe along with a plaque. 2) Chris confirmed next board meeting date of 6-15-19. 3) Chris found an old Illinois Region Window Decal from about the 1980s. Should we look into having again? Everyone thought a good idea. 4) We have a request from National regarding the Director and Officers Insurance, to consider paying our portion. Bob Markert motioned to make payment and Dan Sobczyk seconded. Motioned past.

**Visitor's Input:** none

Bob Markert moved to adjourn. Nancy Nelson seconded.

## 15<sup>th</sup> Annual CTCC Tech Session

By Laura Cielenski

Thirty-eight CTCC and AACA members gathered on Saturday, April 13 at the garage and antique car collection of Frank Troost in Hillside, Illinois. The visit was arranged by Dick Murray from AACA. The cars are in a former machine shop with a wooden floor, surrounded by lumber yards.

As we munched on coffee and rolls Frank explained each of his cars. His Maserati which he drove in, Starmist Blue '57 Thunderbird, a Desert Sky Blue '03 'Bird, eight '55 - '61 Imperials and Chryslers, a '55 Dodge three tone, '70 Plymouth wagon, '48 yellow Studebaker, and a two tone '55 Oldsmobile with factory air conditioning.

Ken Smizinski began the Tech Session by answering two common questions. He is a Master 3 CTCI judge and has worked on 600 '55 - '57 Thunderbirds. The first topic of discussion was adjusting transmission bands. The second topic was the correct mounting of the engine front to rear. Then he held a brief question and answer. At the conclusion of the Tech Session 30 of us went to lunch at "Q's Restaurant" which featured Italian specialties.

# 43<sup>rd</sup> Annual Swap Meet

By Chris Schurrer

On April 7<sup>th</sup>, members from all over the Region convened at Don Mc Cue Chevrolet in St. Charles for our annual swap meet. The 43<sup>rd</sup> year was a successful one, with vendors once again filling the entire main swap area of the meet. Even with the threat of rain, the public came out more than the year before which kept us busy throughout most of the afternoon. The vendors were

busy too, as a steady stream of people going out to their cars with their new found treasures and back to into the building could be seen frequently for several hours.

A big thank you goes out to those who helped man a door, or work behind the scenes. The show cannot happen without their efforts.
