

KLAXON

Monthly Newsletter to the Waukegan-North Shore Chapter

The Waukegan/North Shore Chapter meeting will be on
Friday February 10, 2023
7:30 pm

Where: The State Bank of the Lakes, 50 Commerce Drive, Grayslake, IL
(Just west of the old Lake County Fairgrounds).

Directions to the State Bank of the Lakes: From the intersection of IL Route 120 and US Route 45, go north on Route 45 to Center Street, turn left (west) on Center Street to Commerce Drive, then left on Commerce Drive. The bank is the first building on the right. Park on the south side of the building by the main entrance, then take the stairs or elevator to the basement and enter our meeting room.

Greetings fellow old-car enthusiasts! The groundhog has seen his shadow, so it looks like we're having at least six more weeks of winter. But don't be dismayed by that cold weather. As you'll see in the minutes of the January meeting, we have activities scheduled that will warm your heart, like the Valentine's Day party on February 12, and the St. Patrick's Day party in March. Before you know it, Spring will be upon us, and the cars will be coming out of hibernation. Please join us at the regular club meeting on February 10, so we can get a vote on the January meeting items, and your support for these upcoming events. See you there!

Your new Secretary,

Jim Greenlee

President's Message

We are looking forward to a great year for the club. As you will see in the attached Calendar of Events, we have a full calendar of activities. In addition to our tours and shows, there are meeting programs listed This month we are fortunate to have a program on 3-D printing by Bill Vroman. Anyone that has searched for parts for their cars will want to learn about this innovative technology. Our first event of the year, the Valentine's Party, has had a great response, and look forward to seeing you there.

We had a board of director's meeting last month to plan our schedule for 2023 and to look at ways to get more members attending meetings. (See attached minutes). Suggestions were to send out an email survey to ask members what would interest them to attend a meeting. The other idea was to get a greater variety of programs, ranging from games to technical demonstrations. We have programs listed through May for our meetings. Thanks to our members for volunteering to present these programs, as well as Mike Roach for again offering to host a meeting at his garage. We are seeking programs for the Fall and Winter, so please let me know if you would like to present a program.
