## WANTED:

I am looking for leads on a 1994 - 1996 Cadillac Fleetwood. Solid body and good mechanics a must. Knowledge of history of car a definite plus. Please contact Christopher Schurrer with info and pictures. (815) 382 - 0238 or [hpdog259962@gmail.com](mailto:hpdog259962@gmail.com)

# THE PRESIDENT'S MESSAGE

And just like that summer arrived with gusto just in time for Silver Springs' Annual Auto Show at the Sandwich Fairgrounds. The heat didn't keep many away as, once again, the vendor area had rows upon rows of vendors with parts and items of all sorts. A nice "little bit of everything" mix of over 300 cars graced the wooded show field.

As you are reading this, some of you are preparing for the Region's Spring Tour, hosted by the Waukegan - North Shore Chapter over-nighting in West Bend. I look forward to seeing everyone there.

After traveling around Wisconsin, have your sights set on the Region Car Show at Cantigny Park in Winfield to be held on July 22nd. We are looking for people to judge and help around the show. If you are available, let us know. All of your help is always appreciated.

It is June, which means we are already halfway through the year (believe it or not). Pat Markert is retiring at the end of this year and that also means that we have six months to go before a new Sidelights Editor needs to take the helm. This is a perfect opportunity to learn from someone who has done so well with Sidelights, as she is willing to train the new person during the remainder of the year. This is a prime opportunity for someone who has not been an Editor to learn from one of the best. If you have the interest, please contact Pat or me.

See you further down the road,

Chris

# We Don't Need No Stinking Signs Tour

By Andy Voss

A group of Silver Springs adventurers enjoyed a great road tour on Sunday, May 6, 2018, taking some "less traveled" roads from Sandwich to Romeoville, Illinois. We were joined by a contingent of fellow cruisers from other chapters of the Illinois Region of the AACA. As always, we were guided by an excellently written itinerary by the one and only Chris Schurrer that included such noteworthy directions as "turn right at the bent street sign".

Highlights of the trip were motoring down part of old Route 66, and stopping to view the Jordan Beller Museum in Romeoville. Mr. Beller is one of the leading experts on 1920 and 1930 era Ford cars and trucks. He talked with great expertise and passion about his extensive collection of acquired vintage vehicles. He also has an outstanding library of Ford-related literature and manuals as well as a large workshop filled with tools, machinery, and an enormous collection of spare parts. This museum is a definite "must see" for any serious classic car buff.

The final highlight was lunch at the historic White Fence Farm which also has a collection of antique cars and a petting zoo. We ate too much chicken, but it sure was good!

Andy Voss, Jordon Beller, and Ruben Taylor inspect the wooden interior and floorboards of a 1929 Model A

Ruben Taylor, Jim Wiltse, Lee Nelson, John Medgyesi, and Al Matison ask Jordan some tough questions on engine components on a 1932 Model

Lee Nelson, Al Matison, and Ruben Taylor look at a rare advertisement for a Model A Truck specifically for laundries.

Jordon's workshop. "What we got here son is stuff."

Happy Flag Day!

## MARILYN SCHWARTZ

Marilyn Schwartz (nee Cartell), wife of the late Edwin C. Schwartz, passed away on May 19, 2018 in Highland Park, IL and is survived by daughter Linda Paris (Kenneth), sons Stephen and William (Tina), grandsons Jackson and Evan Schwartz, sister Katherine Anderson of Sparks, NV and many nieces and nephews. A Memorial Service is scheduled at 10:00 am on Saturday, June 2, 2018 at Frist Presbyterian Church of Deerfield, 824 Waukegan Rd., Deerfield, IL 60015. In lieu of Flowers, memorial gifts can be made to First Presbyterian Church of Deerfield, Pets Are Worth Saving (P.A.W.S.) or the Breast Cancer Research Foundation.

Marilyn and Ed are long time members of the Illinois Region. This is the car they drove for years.

We send our condolences to the family.

## FROM DECEMBER 2014 SPEEDSTER

## More Good Auto History... 1914 Model T Ford Station Wagon

By: Ed Shell, Thornton, PA

May 31, 1927, the last Ford Model T rolled off the assembly line. It was the first affordable automobile, due in part to the assembly line process developed by Henry Ford. It had a 2.9-liter, 20-horsepower engine and could travel at speeds

up to 45 miles per hour. It had a 10-gallon fuel tank and could run on kerosene, petrol or ethanol, but it couldn't drive uphill if the tank was low because there was no fuel pump; people got around this design flaw by driving up hills in reverse.

Ford believed that "the man who will use his skill and constructive imagination to see how much he can give for a dollar, instead of how little he can give for a dollar, is bound to succeed." The Model T cost \$850 in 1909, and as efficiency in production increased, the price dropped. By 1927, you could get a Model T for \$290.

"I will build a car for the great multitude," said Ford. "It will be large enough for the family, but small enough for the individual to run and care for. It will be constructed of the best materials, by the best men to be hired, after the simplest designs that modern engineering can devise. But it will be low in price that no man making a good salary will be unable to own one - and enjoy with his family the blessing of hours of pleasure in God's great open spaces."
