

# SIDELIGHTS

The Official Publication of the Illinois Region  
AACA's Oldest Region—established 1946

July 2018

Volume 70 Number 04

## TO BE OR NOT TO BE THE EDITOR.

At the last Board meeting, Chris asked me how many hours a month I spend doing the Sidelights. I told him that it takes me from 5—8 hours a month. He, as well as other board members, seemed astonished. I guess they pictured me slaving over a hot keyboard for days or weeks each month.

So, Chris asked me to write a few words about what it takes to be the editor of Sidelights. So here it is.

I used Publisher rather than Word although I think you could use Word if that is what you know. I also use my email and the Internet to contact people who are writing stories for me or to research things like hotels for upcoming trips.

Most of the article in Sidelights are actually written by others. Most Chapters have reporters who are very good at sending me articles about their activities and pictures to accompany the article. I am really a compiler of information. I take all the articles, pictures, stories, information from the Internet and arrange them into the paper.

Most of these things are pretty much "cut and paste". Some do need to be retyped and I do that. Some months I spend some time going through old Sidelights and taking out articles that are nostalgic or interesting and retyping them into the Publisher format.

I do edit articles for obvious grammar and

spelling errors. I am not an expert, but most word processing programs give you hints about mistakes.

I have a collection of formatted articles ready to be used by the next editor if they choose to do so.

So, there is no law that says the next editor needs to continue the columns that I do—the cooking column, the history column are both features I started but they do not need to be continued. I often use them as fillers if I have an article that doesn't quite fill up a page.

I think the next editor might consider throwing out the old masthead, the regular columns, etc. and designing their own. I would be willing to help in this endeavor. I guess I am trying to say that I don't want the next editor locked into what I did.

Being editor is not a one man job. You have help and support. The Region Secretary is a wonderful help sending updates on members who are ill or who have passed; the Presidents of the Chapters also help by sending items for the Calendar of Events and by assigning someone to cover various activities; the website manager helps by posting the latest issues of Sidelights and keeping things up to date; and, of course, the President of the Region is very supportive and helpful getting articles to me as well as his monthly column.

If you think you might at least **think** about taking over, please call me and we can talk. No obligation.

# Upcoming EVENTS

**July 14 - Wings of Mercy Fly In and Car Show.** Location is Campbell Airport 22733 W. Townline Rd. in Grayslake. See flyer page 16.

**July 22 - Region CAR SHOW** at Cantigny Park in Wheaton. For more information contact Bob Markert (Show Manager) 630-852-9893 or rjmarkert42@aol.com Registration page 11.

**August 5 - Vintage Transportation Extravaganza Show & Tour - Illinois Railway Museum/** see tour page 13/ registration page 19

**August 12 - Waukegan-North Shore SUMMER PICNIC** at Hastings Lake Forest Preserve. See flyer page 17.

**August 19 - Grand Dominion Car Show - Libertyville.** See flyer page 18.

**September TBA - Waukegan-North Shore trip to a DRIVE-IN MOVIE.** Harold Flood will have more info soon.

## Other Events of Interest

### Downers Grove Cruise Nights

featured cars must be 25 years old and park on Curtiss/ all others park on Main St. from Maple to Franklin/ for more detail see flyer on page 14

**July 6 - Independent Orphans** (by Out of Production Manufacturers - No GM, Ford, Chrysler) / Music by The Generation Gap.

# THE PRESIDENT'S MESSAGE

What a tour it was! Beautiful weather framed the twisty - turny back roads through the Kettle Moraine up to West Bend, Wisconsin. Each one of our stops pleasantly surprised us with interesting information. An extensive arrowhead collection to fire trucks galore, to a restored 1880's courthouse & sheriff's house, and of course, the finale, CARS! The camaraderie throughout the entire trip was fantastic, and it was great to see everyone there.

On the horizon is the Region Car Show being held at Cantigny Park on July 22nd. The flyer is out in this edition of Sidelights. Let's get together to make this one of the best we have had. Make sure to spread the word to people you know about the show, and if you are heading out to any shows or cruise nights, bring flyers with you. We are also always looking for judging help, and for people to assist with parking and other positions. Please let us know if you are interested in pitching in.

Lastly, which can not be stated enough. We are now halfway through the year; that means we have only 6 months until Pat retires as Sidelights Editor. All of the hard work that she has put into Sidelights has been certainly appreciated. That also does mean that in 6 months time someone needs to take the helm for it to continue. The time is now to step up, as you will have a solid 6 months of training with Pat to help make the transition easy. This is a valuable resource to keep members in the Region connected with the goings on.

Chris

**SAVE THE DATE** AUGUST 5TH  
TOUR TO UNION  
RAILROAD MUSEUM .

Help Chris celebrate 20 years of designing tours!

# MARK YOUR CALENDAR FOR REGION FALL TOUR

By Andy Voss

The Silver Springs Chapter is hard at work planning the 2018 Fall Tour. This promises to be a great experience for all antique auto enthusiasts and lovers of the open road!

Festivities will begin on Thursday evening, October 18<sup>th</sup> at the La Quinta Inn in Peru, Illinois in a

complimentary private hospitality suite where you can enjoy a snack and your favorite beverage. We have reserved a block of rooms at the reasonable rate of \$103.49 + 10.5% tax per night (Thursday through Saturday nights). There are a limited number of handicap bathroom units, so if you need one of those, you might want to make an early reservation. Call (815) 224-9000 and mention the Illinois Region of the AACA to get the group rate.

Highlights of our weekend will be two days of touring planned by the inimical Chris Schurrer and a banquet at the historic Maples Supper Club on Saturday evening. Tour stops are now being planned. Details will be coming later, including a registration form. But for now, mark your calendar for this fun event!

So mark your calendar now!

## WANDERING THE BACK ROADS

By Bill Vroman

On Saturday, June 2, the Illinois Region Spring Tour kicked off traveling from northern Illinois to West Bend Wisconsin.

Our adventuresome crew consisted of 19 cars and 39 members with multiple generations of cars from pre-WW2 to modern with most members choosing to bring an antique and others voicing their regrets that fate blocked their preferred vehicle from making the trip.

We started out wandering the back roads unencumbered by traffic from Gurnee Mills to our 1<sup>st</sup> stop at the Red Brick Museum in Mukwonago WI. Along with being an early brick home that has been restored to a period correct state,

the museum hosts a significant collection of Native American artifacts and a general store in a log building.

From Mukwonago, we proceeded through downtown Waukesha which remains a vibrant small city center. We then returned to the back roads into the Kettle Moraine area. If you've never been through this area, it is a fantastic

place to wander with an old car, convertible or motorcycle with the roads going through heavily wooded areas with slow speed limits due to the hills and turns dictated by the terrain left by the retreating glaciers.

We arrived at the Sawmill Inn, a large .

rustic venue on the outskirts of Richfield WI, where we had a late lunch. The staff were well prepared for us and quickly brought our pre-selected meals sating the hunger of our crew and allowing us to get back on the road with minimal delay.

Our next segment took us on aptly named routes including "Scenic Rd." and "Pleasant Hill Rd." to the Venerable Fire Museum. Hidden from

the road by trees and located on a farm in rural Washington County, this museum hosts a significant collection of historic fire equipment ranging from hand and horse drawn equipment to large trucks through the early 1950's.

This privately held collection was accumulated by the founder Kieth Franz. Now organized as a not for profit, it continues in operation with the dedication of his wife and sons. This collection included rare and unusual equipment ranging from 2 rare Water Towers converted from horse drawn to motor driven power to hand operated pumps and a functional example of the street alarm boxes and corresponding fire house alarm equipment.

After this stop we proceeded to our host hotel, Hampton Inn, in West Bend. The hospitality suite was at capacity long into the evening, yet everyone made the 8:45 drivers meeting Sunday morning ready to continue our trek.

continued page 5

## SPRING TOUR continued

On Sunday we resumed our trip heading toward and onto the Yellowstone Trail. Our first stop was the Old Washington County Court House and Jail where we were surprised to see how the

sheriff and his family used to live with the inmates. Who could imagine that being the Sheriff's wife included doing laundry for the inmates? The courthouse itself is nicely restored with a series of displays about current and past businesses in the area and also functions as a banquet facility.

From there we took a circuitous route through the woods and marshes and did a little antiquing before heading on to Hartford where we feasted at the buffet at Ponderosa before heading to our final stop at the Wisconsin Automotive Museum.

The museum main focus is Kissel which was built in Hartford until 1928 as well as other cars from Wisconsin but it also contains a number of other manufacturers as well as a section on out-board motors also produced in the area.

This was another successful region tour with happy participants seeing new sights on the roads less traveled. Many thanks to the members who setup the tour. They did a great job including clear and accurate tour instructions with interesting details about the area through which we traveled.

### ISO:

Looking for a garage, warehouse, or barn space for one vehicle or several.

Immediate occupancy.

Gonzo Terry 847-630-7955

## EASY-PEASY SHRIMP ZITI

Fresh peas add a pop of color to this creamy pasta dish.

Yield: 6 servings

Total Time: 25 min.

### Ingredients

1 lb. ziti or rigatoni

3 garlic cloves

1 14.5 oz can crushed tomatoes

2/3 c. half-and-half

1 lb. (31-to 40-ct.) peeled, deveined shrimp

1 c. frozen peas

deep 12-inch skillet

### Directions

1. Bring a pot of water to a boil and cook 1 pound ziti or rigatoni as label directs. While pasta cooks, work on sauce.
2. Chop 3 garlic cloves. Add to deep 12-inch skillet, with 3 tablespoons olive oil, and cook on medium heat for 3 minutes, stirring.
3. Add 1 14.5 ounce can crushed tomatoes, and 2/3 cups half-and-half to skillet. Heat to a simmering, then simmer for 2 minutes, stirring.
4. Add 1 pound peeled, deveined shrimp, 1 cup frozen peas, 1/4 teaspoon salt, and 1/2 teaspoon black pepper to skillet. Cook until shrimp are cooked, about 5 minutes.
5. Serve pasta with sauce. Garnish with sliced green onions, if desired.

### ISO:

## FLY-IN REPORT

By Chris Schurrer

Our chants of "Rain, Rain, Go Away" did not sway the thoughts of the weather, but the bold still dodged the rain drops to attend the Wings over Wheels Fly - In at Lewis University Airport on June 10th. Although the rain and cloud cover kept many of the planes away (it was instrumental only flying around the airport most of the day), a good sampling of cars turned out for the show.

About 40 vehicles attended and stuck through the dreariness to the awards ceremony. They awards had interesting themes. Apart from the somewhat standard "Best Paint", "Best Exhaust" and similar awards, the show had others along the lines of "Best Backseat (Father's Worst Nightmare)", and "Least Likely to Get Home" which added some color to the ceremony.

Inside, EAA Chapter 15 was busy cooking up the pancake breakfast, and, new for this year, a lunch of burgers, pulled pork, or hot dogs. On the tarmac were a few planes, and as the skies opened up toward the afternoon of the show, a few more began to fly in. I'm looking forward to see what next years show will bring.

A unique French (I believe)-built jet aircraft found its way to the show. You could hear the engines out in the show field like it was right next to you.

A Ford F-350 Tow Truck was ready to hook up any vehicle they may have been caught in the soggy ground. Just phone GE6-5681. Southwest suburbanites, what was the exchange name for Plainfield's "GE" ?

A 1990 Chevrolet Caprice Chicago Police Car clone was done very well. All the bells & whistles (and sirens), and gadgets are there.

A view of a row in the car show.

## In for Repairs

From Cheri:

Jack and I would again thank you all for your cards and well wishes.

Jack is doing well and using a walker to get around here I AM THESAME, VERY LITTLE PROGRESS. therefore, Jack and I both are moving to assisted living at Alexian Village, 975 Martha Street, Elk Grove Village 60007. I do not have our room numbers or phone numbers yet, but Jack has his cell phone.

We are hoping to go to the summer picnic and the Christmas party and, maybe, a tour or so, but neither of us can drive at this time.

HUGS,  
Cheri

## TO BE GIVEN AWAY FREE

By Chris Schurrer

These are items for which I have duplicates in the Archives. Therefore, I will give them away to members free, on a first come, first served basis. Contact me if you are interested in any of these items. Email: hpdog259962@gmail.com (H) 815-344-3775.

## Cars For Sale

I am selling Preston Helgren's car collection. Preston was an active member of AACA and the Cadillac LaSalle Club. Preston passed away recently, and the family is selling his cars. Please contact Dan Helgren at 847-533-0349 or [danhelegan@aol.com](mailto:danhelegan@aol.com) for more information or additional pictures.

### 1939 LaSalle Opera Coupe

Older restoration. AACA National First Prize winner. Formerly owned and restored by CLC member Warren Lauridsen. Excellent cosmetic and mechanical condition, except steering has excessive free play. Newer paint job by John Sanders. Consistent first prize winner at local shows. Asking \$29,000.

### 1933 Chevrolet Master Eagle 2 Door Coach.

Body restoration by Tim Ohlendorf. AACA Grand National winner in 1995. AACA Repeat Preservation awards through 2011. Recent engine rebuild by Chevy expert, Tom Priz. Very few miles driven since. Excellent cosmetic and mechanical condition. Asking \$18,000.

### 1964 Cadillac Coupe de Ville

All original car with some body panels repainted. Originally owned by Cadillac dealer in the Peoria area. 52,000 original miles. AACA HPOF and 2015 Cadillac LaSalle Grand National second place touring division awards. Very good cosmetic and mechanical condition. The only issues that I am aware of are air conditioning not working and has incorrect wheel covers. Asking \$13,000.
