Chapter meetings are held the second Friday of the month September through May (excepting December) at State Bank of the Lakes, 50 Commerce Dr., Grayslake, IL 60030

THE PRESIDENT'S MESSAGE

Dear Members,

Finally, the antique car season is in full bloom. What a great feeling to see all the cruise nights and shows start to happen.

The season started out with a wonderful Spring tour sponsored by Waukegan/ North Shore Chapter. What a great tour! The backroads we travelled throughout the tour were incredible with great sights along the way. Thanks to Chris Schurrer, Harold and Carroll Flood and the other members involved for providing a memorable tour.

One of the premier shows that occur in this area is the Geneva Concours (8-28-22). If you have not been to the show, you owe it to yourself to walk the streets of Geneva and see the wonderful automobiles that participate in the show. If you like to get up close and personal to the show, this is your chance. I received a call from Dennis Sobieski. Dennis is the head judge at the concours.

(...continued on page 5)

Monthly Recipe

Chicken Wings

Submitted by Chris Schurrer

Grill season is here and what better excuse to fire up the barby is to have a great Chicken Wing recipe.

Ingredients:

2 lbs. Chicken Wings
1/2 Cup Soy Sauce
1/2 Cup Catalina Dressing

Directions:

Add all ingredients in a large Ziploc bag and put in the refrigerator overnight to marinate. When ready, grill for 15 - 20 minutes and Enjoy!

THE PRESIDENT'S MESSAGE (continued...)

He is reaching out to our region looking for members who would like to participate in the judging process at Geneva. The AACA judging system and judges are very highly regarded in the antique automobile world.

If you have an interest in judging in this premier event, you can contact Dennis (630-969-4202) or myself for additional information.

Also, coming up in July is the AACA show at Cantigny (7-17-22). Bob Markert and Jim Sikora are hard at work planning for the show. Let us show our support by contacting Bob or Jim and offering to volunteer in some capacity. Any help is appreciated in setup, judging or any one of the many tasks it takes to make the show a success.

Lastly, Waukegan/North Shore Chapter will be hosting a tour on Saturday, June 18. The tour will include a tribute to Dick Murray. Dick passed away this past January. Dick was a longtime member of the AACA. There is more information in this issue of SIDELIGHTS.

Let us enjoy the wonderful summer weather, the antique cars and the camaraderie of our members.

Until next month,

Dan

Region News:

Looking for Lincolns

If you have not heard by now the Illinois Region of the AACA is having their annual car show after a 2 year 'vacation' because of the Covid. The show will be held on Sunday, July 17th. at Cantigny Park, 1S151 Winfield Rd. Wheaton, Il.

This year's featured car will be Lincoln, celebrating its 100th. birthday. What would be more fitting than having a variety of fine examples of this storied automobile for all to see. What would be than better than having Capris, Continentals, Cosmopolitans and more for the show goers to see and appreciate. If you know anyone who owns a vintage Lincoln, see if they would like to have it in the show. As they say, 'the more the merrier'.

Please remember this show is an ILLINOIS REGION EVENT. In order to make this show a success we need YOUR HELP! As we all know too well, we are not getting any younger. With that in mind, any help will be appreciated. If you can work all day, that would be perfect, but if you cannot, a little help is better than no help at all. Even two hours can make an enormous difference! Ask a friend who might belong to another club to also help. Exposing them to the AACA could result in a new member, you never know. So please think about helping us, we need YOU.

If you have any questions call, Bob Markert, 630-852-9893, Bob Wenderski, 847-234-2394 or Jim Sikora, 708-246-4707.

Thanks,
Jim Sikora

Help Wanted!

Judges needed for the
Geneva Concours
on Sunday, August 28th, 2022

If interested, please contact Dennis
Sobieski @ 630-969-4203
for additional information.

Region News: Out & About/Old Time Photos

On Saturday, May 14th the Classic Thunderbird Club of Chicagoland held their 14th Annual Tech Session @ Chicago Parts & Sound in Elk Grove Village. Bob Wenderski headed up this event which included a tour of Bob Lederer's car collection and shops. AACA Members Jim Sikora and Bob Markert joined Bob Wenderski along with the Model A Club and CTCC for this event. Lunch was at Rose Garden Café.

Photo 1: Touring car circa 1912, five-digit plate so a populated state, can't read where, may be a Cadillac. Photo 2: Tour bus, possibly a Rapid, about 1912, unknown location Photo 3: Another tour bus, August 13, 1914, Provincial Education Building, Toronto Canada. This was a few days before the start of WWI. Photo 4: Grosspeter Bakery. Where?? Model T truck, of course. Photos are cabinet cards. Submitted by: John O'Halloran, Des Plaines Valley Chapter Secretary.

National Event:

The Hershey, Pennsylvania AACA Fall Meet - Car Enthusiasts Pilgrimage – By Chris Schurrer

The first full week of October, as it has been since 1955 when the show began, car enthusiasts from all over the world flock to Hershey, in Southern Pennsylvania. This community, which is known as the headquarter of the international chocolate company, becomes Car Capital, USA.

People from all walks of life come together with one common love, vintage automobiles. Some scour the flea market aisles looking for great deals on vintage and hard to find parts, some looking for that one item left on their restoration project which they have not been able to find. Some just walk and appreciate the styles and sounds of the cars as they are moved around and sitting in a space, and some come to meet with friends. Many friendships have grown through this show, with people looking forward to this week to meet with that friend from somewhere far away they haven't seen since last year and continue the tradition that has been standing for decades. Many new friendships are formed during the show. Where people bond over the same vehicle interests, restoration projects, or just hearing the stories of owning and operating these Oldtimers.

The flea market covers the better part of the week, with vendor spaces as far as the eye can see in any direction. One cannot pass every vendor booth in a day. It can take two or most likely three full days to walk the entire swap meet and see every vendor, who sell everything from vintage car parts restored and unrestored, automobile books, and related collectables. It is said that whatever part you are looking for your auto, whatever make and vintage it is, you can find it at Hershey. One can also purchase an entire car here with a car corral space for running vehicles and many others that need a bit more work can be found interspersed in the flea market.

The final day is the car show. For me, I find the 12 hour all night drive from my home to this location is worth it if not for the entire event, it is for this morning.

Part of the rules to field for the show and to be judged is that every vehicle

National Event: (The Hershey Fall Meet cont...)

must enter the show field under its own power. The show layout closes a small connecting road to the show field and the participating cars of all eras drive down the road and enter at either one of two entrances along the road. Standing at the corner of the first entrance, one gets a wonderful view of every vehicle as they enter.

The waves in which they come in, one can reminisce of a city street back in time and just watching traffic go by. It is especially fun to watch one of the oldest vehicles make their way down the road sounding their horn to the cheers of spectators along the road.

As the show concludes and everyone heads home, there is one thing for sure. They have great stories to tell and are equally looking forward to next year's show. Check out this sampling of photo of all the gems and activities found at the show I attended this past year and enjoy!

A nice sample of vintage autos under a tent on the grounds.

Not vintage but of special interest. The Wienermobile! The official public relations car of the Oscar Mayer Company.

A view from the bridge over half the swap meet. Vendor spaces as far as the eye can see!

Not just fun but educational. Here the Willys Knight group shows a cutaway model of a sleeve valve engine to show how it functions.

It's not just car parts, many vintage clothing and other items can be found as well.

Bringing down a recently purchased item from the "top shelf" of the camper. What is it? I don't know. It is now somebody's new treasure.

Figure 1 The happy buyers securing their new found treasure to bring home.

A tradition within a tradition. The annual Moxie Tasting on Thursday, where one can try the distinctively different soda, the official soft drink of Maine. It is quite an acquired taste and an interesting experience.

Region Events:

Waukegan/North Shore's Crank 'Em Up Dust Off Tour

by Jo Ann Flynn, News Correspondent

Car Touring Season finally arrived and on Sunday, May 1st members of the Waukegan/North Shore Chapter took to the roads of Lake County and Southern Wisconsin. The weather wasn't the best but the cars and the companionship was great!

We met at the McDonalds in Buffalo Grove for breakfast and visiting. Our Cruise Directors, Harold and Carroll Flood, passed out the tour guides.

Then we meandered over to Long Grove and its historic, and often hit, covered bridge. Trucks are not allowed, except for smaller ones, such as Don Schrieber's 1951 Ford. Hopefully, truck drivers will heed the signs directing them elsewhere.

Then it was on to Heather Ridge with its winding roads and our 2nd covered bridge.

Region Events: (Dust off Tour cont...)

Harold found a real treasure in our 3rd covered bridge in Lindenhurst. He had to obtain the approval of 5 homeowners whose property was accessed via this bridge to let us drive through.

On the other side of the bridge, Carroll Flood was waiting with camera in hand to capture each car coming through the bridge. We all received a picture of our vehicle at lunch.

Way to go, Carroll!!!

A Montage of Carroll's photos.

Region Events: (Dust off Tour cont...)

Then it was down more winding roads and past an old favorite tour stop to lunch at Anneta's Restaurant in Union Grove, Wisconsin.

After lunch, just around the corner, we arrived at the Tri-County Model Railroad Club. This amazing place is the home to a huge collection of HO Model Trains, and associated buildings, tiny cars and tiny people, all run by volunteers. Some of the displays were so realistic, we might have been looking out a window at our own town.

Region Events: (Dust off Tour cont...)

Look closely and you'll see why this display was called "Moon River"

Remember Dino?

This display was so lifelike I could see myself driving down the street.

Region Events: (Dust off Tour cont...)

There were city streets, country roads, train stations, a paper mill, tugboats, grain elevators and even a Brewery! What a collection of train displays!

Questions about the trains? Ask W/NS member Tom Risley who is also a member of the RR club.

This was a wonderful way to start our Touring Season!
Happy Travels and see you down the road!

Region Events:

Northern Illinois Region Spring Tour
Hosted by Waukegan/NorthShore Chapter
May 19th – 21, 2022

Tour Director Chris Schurrer

This tour was a repeat of a 1987 previous tour that Chris pulled out of the archives . Leaving Thursday, we drove about 175 miles thru some very scenic back roads with a lunch break in the middle and a great stop at Wollersheim Winery. Then on to the Round Barn Inn in Spring Green,WI where we celebrated Tom & Jenny Risley's 25th wedding anniversary as they were married on the Spring tour in 1997.

Region Events: (Region Spring Tour cont...)

Friday, May 20th, 2022
Region Spring Tour

It was a very busy day on the tour as we had a great breakfast at the Blackhawk Bethlehem Methodist Church built in 1851. It started out as just a coffee break but the ladies of the church totally outdid themselves with wonderful homemade bakery wares. From there we drove to Circus World Museum in Baraboo, WI for a wonderful tour of the grounds, beautiful wagons, and a Big Top performance . This was their opening day for the 22 summer season. They put on a great show complete with elephants.

Then on the North Freedom, WI and the Mid-Continent Railroad Museum where we were treated to a Great train ride and a very amazing, guided tour of the trains and grounds.

Region Events: (Region Spring Tour cont...)

Saturday, May 21st saw us off to a short driving tour to the famous House on the Rock. It was an all-day free-style tour of this amazing attraction. If you haven't been there, you should put it on your bucket list. We traveled back to the lodge and had a very nice banquet that evening at Arthurs' Supper club.

Region Events: (Region Spring Tour cont...)

After Sunday morning check out, we toured past the home of Tom & Jenny's Aunt in Prairie Du Sac, WI

We took a very scenic route through Devil's Lake State Park and then on to the Merrimac Ferry. We managed to get all our cars on the ferry for one crossing.

From there we stopped at the Tumble Rock Distillery for a taste of the local fare.

And from there on to Delany's Surplus store where if they don't have it...you don't need it!

Right next door was Dr. Evermore's amazing sculpture garden. A truly amazing artistic use of junk. Our last stop was at the Badger Army Ammunition Museum where we learned more about ammunition than anyone ever needs to know.

Thank you Chris for single handedly put this outstanding tour together. Tour directions and attractions were fantastic.

Photos and write up by Carroll Flood

Jack's Alexian Village Car Show

Saturday June 11, 2022

Save the Date! Join us to show our vehicles at 11AM at Alexian Village assisted living facility at 975 Martha Street, Elk Grove Village, IL. Food and drink available, Jack and Cheri would love to see you all again. Call Bob G 847-295-6996.

Classics, Culture and Kegs Tour
 aka
 The Dick Murray Memorial Tour
 Saturday, June 18, 2022

We will visit classic car dealership, North Shore Classics, in Mundelein, where the Lichtfeld Award will be posthumously awarded to Dick Murray and complimentary coffee and donuts will be available. We will then motor over to the Dunn Museum in Libertyville to experience the Bill Sienkiewicz exhibit "Pop Culture Revolution" show-casing sketches and original paintings spanning the artist's career from the 1980's to the present day, featuring 60 works of art and video interviews.

We will then travel onward where will stop for lunch (on your own) at Franks For The Memories in Mundelein for hot dogs, hamburgers, fries and pop.

And then it's on to Tighthead Brewery in Mundelein for a personal tour of the brewing process and the opportunity to purchase their award winning quality craft beers.

So please come on out to view classic vehicles, experience "Pop Culture" and honor the memory of Dick Murray!

Meet Time: 9:00 am

Location: North Shore Classics, 149 N. Seymour Ave., Mundelein

Plenty of parking available and room for trailers

Lichtfeld Award Presentation and Drivers Meeting: 10:00 am

Cost: \$6.00 per person (Museum Admission) AND \$2.00 per car
