The next Waukegan/North Shore Chapter meeting for 2023 will be on
Friday March 10, 2023
7:30 pm

Where: The State Bank of the Lakes, 50 Commerce Drive, Grayslake, IL
(Just west of the old Lake County Fairgrounds).

Directions to the State Bank of the Lakes: From the intersection of IL Route 120 and US Route 45, go north on Route 45 to Center Street, turn left (west) on Center Street to Commerce Drive, then left on Commerce Drive. The bank is the first building on the right. Park on the south side of the building by the main entrance, then take the stairs or elevator to the basement and enter our meeting room.

Greetings Old-Car Enthusiasts,

We had a great meeting in February, with 27 members present, and a very informative presentation by Bill Vroman on 3-D printing. That was followed two days later by our Valentine's Day party at Mickey Finn's in Libertyville, which featured a very tasty salad and pizza buffet, and recognition of members who have made significant contributions to the antique car hobby and our organization. On tap for March is our St. Patrick's Day party on the 19th. Attached with this email is the flyer and registration document for that event. I hope to see you all there.

Your secretary,
Jim Greenlee

President's Message

After the great presentation by Bill Vroman on 3-D printing at last month's meeting, we are having another informative presentation on the automotive electrical system by Paul Maurer. Paul will be discussing the components of an automobile electrical system and how they operate. He will also be explaining how to use a multi meter to troubleshoot problems. Anyone who drives an old car will want to be here for this presentation. Also, Ed Flynn will be doing a show and tell on his old car and truck themed paintings which he has been working on.

We were informed that our meeting room at the bank will not be available for our April meeting due to some remodeling work at the bank. Harold Flood is looking into getting the meeting room at the Warren Township Center, where we had a meeting last year. If anyone knows of an alternate meeting sight for April, please let us know.
