Chapter meetings are held the second Friday of the month September through May (excepting December) at State Bank of the Lakes, 50 Commerce Dr., Grayslake, IL 60030

THE PRESIDENT'S MESSAGE

Dear Members,

So far, it has been a wonderful old car season. The weather has been more than cooperative in letting us enjoy the old cars. We have had several events where the weather has been more than delightful. Hopefully this pattern of great weather will follow us throughout the remainder of the season.

There is a non-automotive event the board decided to give it a try. That is our photography event. Any member is able to submit a photograph to our panel of judges. The only stipulation is the photo must contain an old car, 25 years or older. It can be a color or black and white photo. Each contestant can submit up to three photos for consideration. The judges will select the three winning photos. The photos will be assigned a first, second or third place award. The selection of the winners is at the total discretion of the judges. There will be awards given to the top three finishers. Show us the artistic talent that lies within you.

(Continued on page 5)

Monthly Recipe

Easy 4th of July Truffle

Ingredients

1 16 oz. pound cake, cut up in 1-inch cubes.

1-pint strawberries, sliced with 1 cup reserved.

1-pint blueberries with a $\frac{1}{2}$ cup reserved.

1 16oz frozen whipped topping, thawed.

Instructions

In a trifle bowl or large glass serving bowl, layer half the pound cake, strawberries, blueberries, and whipped topping. Repeat layers once more then garnish with reserved berries in a flag pattern, as shown. Serve immediately or refrigerate until ready to serve.

THE PRESIDENT'S MESSAGE (continued...)

Also, the AACA has been invited to attend the driving tour the Saturday before the Geneva Concours. The tour will take us to the Elgin Historical Museum for a 45-minute talk about the Elgin Road Race. It is a race that was held in the Elgin Area over 100 years ago. If you are interested in attending the tour, please check the website for the Geneva Concours in order to obtain additional information.

Until next month, enjoy the weather and driving your old car.

Dan

BOARD MEETING

Date: 6/10/23

Hosts: Silver Springs

Location: Somonauk Public Library

- 1. **Welcome**—President Dan Sobczyk called the meeting to order at 10:40 am. He thanked the Silver Springs Chapter for hosting the meeting and providing the refreshments. He then asked the Secretary to call the roll.

Roll Call—Pat Markert called the roll. Present: Dan Sobczyk, Chris Schurrer, Bob Wenderski, Bill Vroman, Rose O'Halloran, Nancy Nelson, Lee Nelson, Bibana Garcia, Jerry Bodden, Al Matison, Andy Voss, Jim Sikora., JoAnn Flynn, Ed Flynn

Dan Helgren excused with Chris Schurrer as proxy

Visitors: Humberto Garcia, Joan Bodden, Joanna Vroman and Bob Markert

Secretary Report: Pat Markert remarked that her discussion with Sue Eitner from National has continued. There are still 4 members who have not paid their National dues. Pat recommended that these members be dropped from the membership rolls thereby receiving no emails about events and no further copies of Sidelights. Discussion ensued but it was decided to follow this course.

Pat also notified the board that the National wants the list of new officers each year and the list of members sent to the National by January 31. That means the roster must be finalized by that date and anyone not paid by then will be dropped from the roster. There was much discussion about members who receive the first year free. It was noted that these need to be reminded that the second year they must pay not only the Region but also the National dues. Andy Voss, membership said he would stress for new members when he sends out the renewals.

Pat also asked if we should collect BOTH Region and National dues for members. Discussion ensued. Bibiana Garcia made a motion to leave things as they are now; second Al Matison. Passed.

Treasurer's report- Bob Wenderski reported that since the balance reported in March, there have been receipts for the Swap Meet and Membership payments. There were also expenses from the Swap Meet, Sidelights and membership payments to chapters. This leaves a balance slightly lower than March. Bob also pointed out that there are 116 paid members and 4 complimentary members this year. Andy Voss asked if this included Lifetime members and Bob said no. A motion was made by Andy Voss to accept the Treasurer's Report; second Jim Sikora. Passed.

Chris Schurrer suggested Andy make a list of the duties involved so it is clear which duties Andy would keep doing and which duties need to be assigned elsewhere. One duty of the membership team is to keep the Region brochure up to date. JoAnn Flynn had taken on that duty and said she would be happy to keep that job.

The sticking point seems to be the manning of the membership table at various venues. A person with good people skills and sales ability is needed. Andy will make a list of duties and the board will discuss this further at the next meeting.

Andy also asked about doing renewals totally on line, including payments. Bill Vroman said that the widget that is needed to do online payments would cost about \$400/year plus about \$.25/transaction. Humberto Garcia suggested adding a transaction fee of \$1 or \$2 to offset the cost.

Bill Vroman also brought to the board's attention that going to online payments, may have tax implications if we are not a 501c3. Discussion ensued. Dan Sobczyk asked Bill to look into it further.

- **Publication:** no report
- **Legislative:** Lee Nelson reported that as of July 1, 2023, the gasoline tax will go from \$.0329/gal to \$.0640/ gal. This is the fourth highest gasoline tax in the country. He also informed the board that the fee to make a title transfer will go from \$155 to \$165. In addition, Lee felt there are 2 bills in the Legislature that we should know about. The first would mandate that by 2025 all government vehicles need to be zero emissions. The second bill would tie the gasoline tax to the inflation rate. Lee felt this was done so that politicians won't be blamed for increases in the tax.
- **Website:** Bill Vroman said that much of his report had already been discussed in the Membership report. However, he added that if the board decides how to deal with this before summer's end, he could have it up and running in time for membership renewals.

He also said he had, as usual, updated the website. He mentioned that the last issue of the National publication had an article on cars and music. Much of that article was on the song "In my Merry Oldsmobile." He has downloaded a link to the Merry Olds cartoon on the website.

- **Archivist:** Archivist- Chris Schurrer started his report by thanking all those who donated trophies to his friend for charitable purposes. He then asked if anyone would be going to a National show this year. Chris has a number of magazines he would like to donate to National. He was hoping that if you are going and had room, you would be willing to take some. Dan Sobczyk said he was going to the Quad Cities in July and would take some.
- **Car Show Manager:** Jim Sikora reported that the car show, by vote of the board, has been cancelled for this year. There has been a change in management at Cantigny and each time we talked with our liaison, Bryan, he would tell us to wait 2 more weeks. It finally became too late to put on the show. The new vision for Cantigny is no more car shows after their own in September/ no charitable events/ change in fee structure, moving from a per car charge to a per person charge. Now Sunday fee is \$30 per car and will become \$30 per person.

So, Jim went on, we are looking for a new venue. He has gotten several

suggestions and is open to more. He said each and every suggestion will be checked by himself and Bob Markert. They are looking for a venue that is reasonable to rent and

2. Standing Committee

- **Membership**— Andy Voss suggested that a second person be added to the membership team devoted to recruiting new members. Discussion ensued.

and centrally located. Discussion ensued.

3. Activities:

- **Swap Meet**—Bob Markert reported that the Swap Meet was also plagued with problems this year. The dealer where we have had the meet was bought out by another dealer and it was some time before we knew if they would let us use their facility. When we got the go ahead, it was further delayed because Chevrolet had required the dealer to overhaul and update the area where our meet would take place. Luckily it was done swiftly and we got word toward the end of February that the meet was a go. Considering all the problems, the Swap Meet went well. Although we had fewer vendors than before, all seemed pleased with their sales. Seems the public was in a mood to buy as almost everyone who attended walked out carrying merchandise. Thanks to the Silver Springs Chapter we got a food truck vendor just 2 days before the meet. Santiago was very pleased with his sales and wants us to call him for next year. We were pleased as the food was very good.

The Swap Meet had expenses of \$1,100.79 and income of \$1,415.00 leaving a profit of \$314.21. The Swap Meet Committee was very pleased.

- **Spring Tour**—Chris Schurrer reported that the Fox Valley Chapter had hosted the Spring tour to Freeport. It was such a big success that we ran out of rooms at the hotel. The hotel was very nice and was very cheap. The weather was very co-operative with sunny days and lovely temperatures. There was a total of 26 cars and 44 people attending who enjoyed a variety of venues. All the people we met at every venue seemed happy to have us and asked us to come back again.
- **Fall Tour**—Lee Nelson reported that we would be going to Elkader, Iowa in the fall. While he is still looking for a hotel, he told the board that there is a lovely Opera House there that was listed on the National Register of Historic Places in 1976. They are, while we are there, performing Peter Pan and the tentative plan is to attend the play on Friday night. Lee noted that there are lots of things to see and do in that area and they are working on picking out our stops.

Break for 10 minutes at 12:10 pm

Motion to resume the meeting was made by Chris Schurrer; second Jim Sikora. Passed

4. Chapter Reports

- **Des Plaines Valley**—Lee Nelson reported that the Des Plaines Valley members have been very busy. Several members went on the Spring Tour, they attended an event with the Horseless Carriage Club and went to the Studebaker show in South Bend on the first of June.

- **Fox Valley**—Dan Sobczyk reported that the chapter is planning a tour on July 23 to Sanfilippo Estate in Barrington. Also on August 26, the chapter is joining the classic car club, in conjunction with the Geneva Concourse, to the Elgin Historical Museum. The cost is \$25 and includes admission and a box lunch.
- **Silver Springs**—Al Matison said the chapter had just finished another successful car show. The group is also planning a tour on July 1 to the Illinois waterway and the LaSalle Historical museum near Utica.
- **Waukegan-North Shore**—Chris Schurrer said that their dust off tour went to the Lake County area with lunch at Crosswords and a stop at the home of long time member, Jim Manz. Jim has a beautiful home and an exciting collection of exquisite cars. Tour was made by Don Schreiber and Dan Helgren. Also, on June 24, the chapter will be going on a tour from Waukegan to Sturtevant, WI and ending in East Troy.

5. Old Business

Bill Vroman brought the business cards the board has been discussing and passed them out to the members of the board. Dan Sobczyk congratulated Bill and Joanna on taking on this job and following through with it. The cards look wonderful. These were made so that when we see a nice antique vehicle, we can tuck the card on the windshield in the hopes of attracting new members.

6. New Business

- Dan Sobczyk announced that the board will be running a photo contest. The rules are as follows:
 1. You can submit up to 3 pictures.
 2. Each picture must contain an antique vehicle. We are NOT judging the vehicles, they are only props in the picture. We are judging the overall look of the photo.
 3. Deadline for photos is July 31, 2023.
 4. All decisions of the judges are final. There is no crying in photo contests.
- Pat Markert reminded chapter Presidents that they need to assign someone to take pictures and write up the article for Sidelights when they are hosting a Region activity. In the past the Sidelights editor assumed this task, but now the editor is not a member and does not attend functions.
- Humberto Garcia asked if the secretary would send out to the membership a flyer about a charity show in Carpentersville on July 1. She said yes. He said he would send the flyer to her.
- Bob Markert asked the secretary to do the same for the Downers Grove Rotary Fest show on June 25.

7. Visitor Input: None

8. Next Meeting:

The next meeting will be hosted by the Waukegan-North Shore Chapter on September 9th. Details will follow.

9. Adjourn: Rose O'Halloran made a motion to adjourn the meeting; second Ed Flynn. Passed. Meeting adjourned at 12:41 pm.

Region News:

New Award

By Jim Sikora

A new award was announced at the spring tour banquet. The award is called The Loyal Order of the Lock washer! {LOL}. The first inductee was Wendell Stevenson. But let's start at the beginning.

It was the fall tour to Indy. in 2019, I was in the hospitality room when Wendell Stevenson asked me to sit by him and enjoy a soda and some conversation, he said I was 'kind of funny'. I don't know what he was getting at, but I did have a question for him. What is the difference between a GMC pickup and a Chevy. pickup. Since Wendell has been around cars forever, he should have known the answer in a second. But he looked at me and his reply was "what's the difference?" My reply was lock washers, GMC's have lock washers and Chevy's don't, and that is why GMC's cost more. Wendell looked at me and started laughing and laughing. He was almost in tears! Wow, what just happened here. Once Wendell calmed down, we spent the evening trading old car stories.

After the tour I was thinking about Wendell and the lock washer joke. That's when I came up with the Loyal order of the Lock washer award. It was supposed to be an award, just for fun, and my wife Marcia would make the award on her computer and that was to be the end of that. Not so fast, then I started thinking about all Wendell has seen and done in the automotive hobby. He has been around a long time and has experienced more than many of us will ever see and do in our lifetimes. This award was no longer so funny.

About six months ago I was at an Illinois Region board meeting. I was talking about the Lock washer award when Bill Vroman asked what I was up to, and I explained it to him. With a smile, he offered his talent and

Region News:

3-D printer to make the Lock washer award for Wendell. His version of the award was amazing. Now we had to give it to him.

I signed up to go on the spring tour to Freeport, Il. and checked to see if Wendell was going, and he was. The next step was to talk to Chris Schurrer. Would he mind if I presented the LOL award to Wendell at the banquet on Saturday? He was good with that. Wendell knew something was going on, at the end of the announcements. Chris called me up, I then called Wendell up too. It was time for him to receive his award. With a tear in his eye, he commented "this is how car clubs are supposed to be."

The LOL award is dedicated to the men and women of the old car hobby who are willing to share their knowledge, stories, and sense of humor with the younger member of our hobby.

Just for some summer fun, the Region is having a photo contest! The Executive Board of the Region will judge the photos and award the prizes. Rewards will be given for the best three pictures. Winners will be announced in the September issue of Sidelights.

Rules:

1. You can submit up to 3 pictures.
2. Each picture must contain an antique vehicle. We are NOT judging the vehicles, they are only props in the picture. We are judging the overall look of the photo. Is it Beautiful? Serene? Chaotic? Calm? Fun? Colorful?
3. Deadline for photos is July 31, 2023.
4. All decisions of the judges are final. There is no crying in photo contests.

Region Events:

Travel the Seven C's - Again - Tour

by Jo Ann Flynn, W/NS News Correspondent

When a tour is great (as all of our tours are), you just have to do it again. And that's what 22 members of the Waukegan/North Shore Chapter did on Saturday, June 24th. We repeated the Seven C's Tour from 2019. And it was a great repeat!

The tour started in Waukegan and wound through the scenic roads of Lake County up to the Wisconsin State Line. Then it was on through Pleasant Prairie, where we drove around beautiful Lake Andrea at

Prairie Springs Park. The lake looked very inviting with the heat of the day.

More driving through Kenosha and Racine, where we spotted this cool old pickup, before we arrived at one of our favorite tour stops - School House Antiques in Sturtevant. I think almost everyone found something unique that

they just couldn't live without.

Region Events: (Travel the Seven C's cont...)

Next, we took the long drive (about 3 blocks) to Castlewood Restaurant for a delicious lunch and fun conversation.

More pretty roads and country drives and 34 miles later, we arrived at East Troy Electric Railroad Museum. This museum is dedicated to the interurban commuter trains that ran from East Troy to Milwaukee from 1908 to 1939.

We were just on time to take the relaxing 10 mile train ride,

Region Events: (Travel the Seven C's cont...)

stopping at the Elegant Farmer for some goodies, including cookies and their award winning Apple Pie.

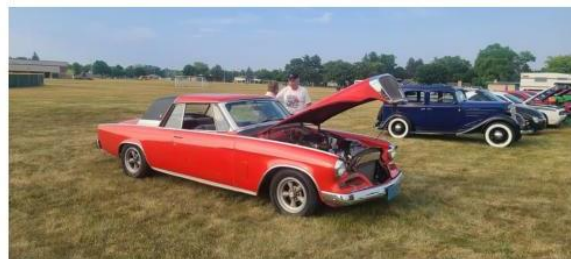

Wrong train, Humberto!

Back in East Troy, we couldn't leave without crossing the tracks to J. Lauber's Ice Cream Parlor for a phosphate or an ice cream sundae.

A few of our group still had enough energy to attend Gus' Drive In Cruise Night, just a quick mile away.

Region Events: (Travel the Seven C's cont...)

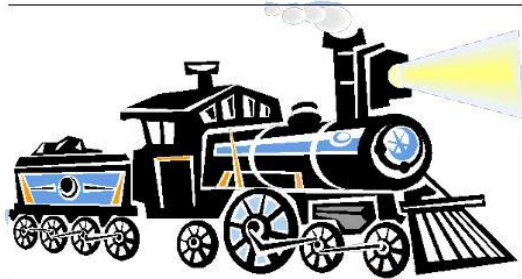

Lots of great cars to see at the end of a terrific tour.

It was even a pretty drive back to Illinois.

Thanks to Chris Schurrer for creating another wonderful experience for the Waukegan/North Shore Chapter. And thanks to Chris, Mary Wisniewski and Lizbett Bejar for their photos.

Tour To The ILLINOIS RAILWAY MUSEUM Transportation Extravaganza

When?: Sunday, August 6, 2023.

Where?: IHOP. 6606 W. Northwest Hwy., Crystal Lake, ILL
Rte. 14 – Commons Shopping Center (Just West of Teckler Blvd.)

What Time?: Meet at 8:00 A.M. Depart at 9:15 A.M. SHARP

We will revisit travel a quick 21 miles along scenic roads
between Crystal Lake and Union.

Cost: Tour is FREE!

(\$15 / car show charge if pre-registered by July 29, 2023 [see other flyer])
(\$20 / car show charge if not already pre-registered)

ALL OF THE ILLINOIS REGION IS INVITED!

We will park in a wooded section of the museum.
