THE ACTING PRESIDENT'S MESSAGE

Here we are mid year driving our cars on tours, to car shows, cruises, and picnics. The weather has been iffy at times but we have had fun. Check the upcoming region chapter activities for further fun with your hobby.

I am going to discuss two characteristics of our Region. The 69th Annual Illinois Region Car Show at Cantigny Park is coming up on July 23rd. This is a great opportunity in a beautiful setting to converse with Region members as you show off your vehicle. You renew relationships with members or begin a new one with another member. If you are a recent member this is a golden opportunity to meet fellow members. There is no looking or selling car parts or no touring the countryside with points of interest. Bring the family and friends as the park provides museum, gardens, and air conditioned snack bar and restaurant. Presently members sign up at a lower price than previous years. There is a need for members to assist in making this show successful.

Members are needed for publishing, obtaining sponsors, judging cars, attending club tablets and related areas. Contact me or your chapter President for details.

Second point: The Illinois Region Board of Directors election will be in the late fall. Now is the time to consider being a candidate. New candidates with different ideas are needed. Many of the present Directors have been serving for many years and would like to step down.

This is your opportunity to help direct the region with your wants and needs. For more details about the director positions and what it involves, contact your Chapter President and/or Region Board members as listed in Sidelights and the Region Roster. Hope to see you on the 2018 Board.

Bob

FROM THE EDITOR'S DESK...

Hi All,

Well, we have successfully finished another tour for the club - the Illinois Region's Spring Tour to the Rockford area. It was good to see members that I had not seen for some time. It got me to wondering why more people don't participate in the car tours.

It seems to me that tours are exactly why one would join a car club - to get out in our antique babies and drive up and down scenic roads and enjoy feeling of pride and freedom these moments evoke.

So how come we have 30 members attending instead of 130? Why is it that some members never have joined a Region multiple day tour? Good question.

Who has the answer? YOU DO.

So I am asking those of you who have never attended a tour or those of you who rarely attend, what is keeping you home?

This year the Region decided to try reducing the Spring tour to an overnight jaunt. We had several thoughts on this. We thought that an overnight tour would make it easier for those members who still work to attend. We thought it would reduce the cost of the tour since it would only be one night in a hotel. Still, only about 35 people came.

So now I am just plain asking flat out. Tell me what keeps you away from the Spring and Fall tours?

You can email me at aacapat@aol.com or send me a snail mail to 4600 Stonewall Ave., Downers Grove, IL 60515.

Thank you for all your help. I really enjoy hearing from you.

SPRING TOUR ROCKS AROUND ROCKFORD

BY Dan Helgren/pictures by Ed Armatys, Bob Markert & Dan Sobczyk

The Illinois Region Spring Toyr on June 3 and 4 was to the Rockford area.

This was another great tour planned by the team of Dan Sobczyk and Cheri Schurrer which included a stop at John Sanders restoration shop.

The car I found most interesting was a 1930s Fiat Topolin, which is Italian for little mouse and was receiving a total restoration. Everything on that car was tiny, looking more like a model than a real car. An original Mini would dwarf this car.

Warren Lauridsen enjoyed the tour accaompanied by his daughter Cheryl.

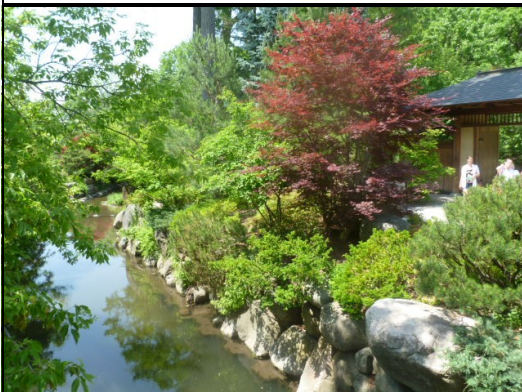

Even though the Angel Museum is normally not open on Sunday, they did open for us. The docent told wonderful tales about how the collection came to be.

Some of the 20,000 angels in the collection.

Pat Markert was hoping the gift shop would have an angel holding a kitty to add to her collection of 3. Among all these angels, not one was holding a cat.

Despite the 95° temperatures, the Japanese Gardens were peaceful and lovely. L to R: Jim Wiltse, Mar Robinson, Harold & Carroll Flood, Dick & Joan Murray and Bev Armatys.

These gardens are considered among the best Japanese gardens in entire country.

The second stop on the way home was another car collection. This gentleman is a member of the Studebaker's Drivers Club and some of the members brought their cars to show us.

More of the cars at this second stop. It was a lovely tour.

GRAND NATIONAL -

Two stories

Trip to Grand National

By Ed and Beverly Armatys

Having achieved the First place 'Junior' and 'Senior' awards levels of the AACA with our white 1957 Chevy Bel Air convertible, we decided to make an attempt to obtain an award at an AACA Grand National event. The nearest a Grand National show would be, was in the Kansas City area, held June 15, 16, and 17, 2017.

Because of the distance, and peculiar stormy weather lately, we chose to trailer our 57 Chevy. We arrived at the Hilton Garden Inn in Independence MO. on Friday and pulled the car out early on Saturday morning for the event, there were around 200 vehicles to be judged. As in most AACA events, there were numerous judging groups, each comprised of a chief judge and four other judges. The judges were each assigned a 100 point work sheet for each car. The work sheets included the categories; Exterior, Interior, Engine area, and Chassis, all totaling 400 points. There were six Chevys in our class #33.

It was a beautifully warm day for this well attended show. A beautiful black 57 Chevy convertible shown next to us was owed and restored by the technical adviser of the Classic Chevy Club and Magazine, Dave Fletcher. He has shown this car at several events in various stages of restoration. We met him in 2007, at Warren, Michigan for the 50th anniversary event at the GM Engineering Design Center. There were 375 1957 Chevys at this celebration. There has not been a celebration sponsored by GM since this date.

The Grand National Awards Banquet, at the end of the day, was held at the Hilton, and

was a very well attended and an exciting event. Both Dave and we received a First Place Grand National Award for

Trip to Grand National

By Jerry Bodden

Several Illinois Region members: Ed & Bev Armatys, Dan & Darlene Sobczyk, Bob & Sue Wenderski, Jerry & Joan Bodden attended the AACA Annual Grand National Meet, held June 14-17th at the Silverstein Arena in Independence, MO, a suburb of Kansas City. The meet was hosted by the Kansas City Region, who did a great job of organizing the various tours and other activities: a Friday evening BBQ, the awards banquet, trailer parking, and the car show location.

This event also hosted the inaugural of the AACA Zenith Award, 20 magnificently restored vehicles se-

lected in 2016 by a team of AACA and other distinguished judges. The "Restoration of the Year" was a 1928

Auburn 8 Speedster. All twenty Zenith vehicles were on display in the Silverstein Arena.

IL Region members were honored to receive the following AGNM awards: Ed Armatys, 1957 Chevrolet Bel Air conv. First Grand National; Sue Wenderski, 1957 Jaguar XK 140, Senior Grand National; Jerry Bodden, 1941 Buick Super conv.

Repeat Senior Grand National. Bev Armatys & Darlene Sobczyk worked in Judges Administration on Satur-

day; Dan Sobczyk & Jerry Bodden were class judges at the meet. Jerry reached Fifty judging credits at the AACA National meet in Auburn, IN this past May.

GRAND NATIONAL Ccontinued each of our cars! (Since both of our restorations, our car has over 10,000 miles on it, Dave's has 36 miles.) In addition, we also received a large plaque as an AACA Preservation Award.

It was wonderful to be honored this way for our restoration project that took about 19 years. This meet also held the new 'First Annual AACA Zenith Award' presentation with twenty selected cars chosen from over 3300 from all of the last years meets. A 1928 Auburn 8-88 Boat Tail Speedster received the choice Zenith Award. The cars shown on the field were amazingly beautiful, everyone should try to attend an AACA National Meet.

JUST FOR LAUGHS

FOR SALE, 36-24-36

CANTERBURY, England (UPI) Ken Shaw is advertising his wife for sale.

His wife Marie found herself in the "for sale" columns of a local newspaper because she complained his beloved sports car was cramped and drafty.

"Car or wife must go," the advertisement read. "Car - 1963 MGB, red, all extras. \$1,200. Wife - 1944, blonde, 5 ft., 36-24-36, \$60,000 or nearest offer."

Said Shaw: "For the sake of peace in the home, one of them has got to go."

THE ATLANTA JOURNAL—JUNE 4, 1969

36-24-36 WIFE GETS OFFERS — CAR DOESN'T

CANTERBURY, England (UPI) Ken Shaw, who recently advertised in a newspaper "car or wife must go" and put a price tag on each, said he had three offers for his wife but no inquiries about the car.

Shaw said he thought no one would take him seriously when he placed his ad, which said: "Car or wife must go. Car - 1963 MGB, red, all extras. \$1,200. Wife - 1944, blonde, 5 ft., 36-24-36, \$60,000 or nearest offer."

Shaw now says: "So far no one has inquired about my car but I've had three offers for my wife. One man wrote asking what condition she was in and did I think she was worth \$60,000. Another man even tried to lower the price. He said she was too old to be worth that amount of money."

HAPPY 4TH OF JULY

REGION MAKES 22nd TRIP TO UNION EXTRAVAGANZA

By Chris Schurrer

August 6th, the first Sunday in August, marks the day for the Vintage Transportation Extravaganza at the Illinois Railway Museum in Union, ILL. This one of a kind show brings not only all makes together is one location, but different types of vehicles. Cars, Buses, Emergency & Military Vehicles, and trucks of all kinds. That is just one aspect of this show, as the railway museum's equipment is out in full force.

Ride the streetcars around to different areas of the sprawling car show, as well as larger trains on the main line. Participants get UNLIMITED rides at the show just for the price of entry. Not only that, but one can stroll through the numerous train display buildings on site.

Food is also available on site. This is a great venue for adults and kids alike! Bring the whole family for the same price to enter (1 driver and up to 3 passengers).

This is the 27th year this show has taken place, and we have been attending the show for 22 consecutive years. Our parking area is in a tree lined area of the show field, which is a great place for shade on those sunny days.

For those same 22 years, we have been touring to the show. We will be rerunning the tour from 20 years ago. The tour starts in Island Lake, meeting at the Mc Donald's at 8:00 A.M. and departing at 8:30 A.M. Sharp. We will have a pickup point available in Crystal Lake for people who are traveling in from the south at 9:00 A.M.. We should be at the show around 9:30 A.M. The tour itself is free. Hope to see everyone there!

Standing Committee Reports:

Membership -Carla Baxter has decided to step down - Andy Voss will be taking her place through September, 2017. It was reported there are currently 175 members - 11 taken off the 2017 roster, 18 still in question and 2 new members. . A list was provided of the members still in question.

Archivist: Chris Schurrer reported mailing out data from past tours to a couple of members. He is currently working with 2 individuals on receiving their collections of manuals and old Sidelights.

Region Activities:

Swap Meet - Chris Schurrer - Reported April 2017 went well. All but one spot was sold and there were five vendors outside. There was a new food vendor which worked well. This was the 2nd year the Swap Meet was in April - better weather, more attendance, and fewer other swap meets being held played a part in the show's success.

Spring Tour - Dan Sobczyk - There were 42 people in attendance. He asked the board if they liked the one day tour or not. There were mixed feelings, some liked the one day and some did not. It was pointed out that there were some issues with the host hotel.

Region Car Show - Bob Markert Date is the third Sunday in July - July 23rd. Not too many have signed up so far. He had flyers for people to take. Cantigny is having a lot of work but our area will not be affected. As in the past, there will be food served. This year the show will be honoring Firebirds and Cameros both 50 years old. A question came up - "Why do the working members have to pay?" Answer: Each vehicle is charged a \$10 entrance fee. As it is, the Region takes a loss of \$2-\$4 on each working member.

Fall Tour - Lee Nelson - Looking at Michigan - around Gilmore since it is Gilmore's 50th anniversary. Tentative Date: Oct 19th to 22nd.

Chapter Reports:

Des Plaines Valley: Lee Nelson reported that the weather was not the best for the fly-in. 10 cars attended and the planes were flying.

Fox Valley: Dan Sobczyk reported FV toured Argonne National Labs - attendance good. The chapter stopped doing tours in July and August due to low attendance in the past. He would be attending the Grand National in Kansas and that all members should take advantage of the meets.
