

2022 Calendar of Region Events

Because of difficulties in scheduling 2022 events in advance, caused by the COVID-19 pandemic, they will not be listed here. For updates, read the latest edition of *Sidelights* and check the IL Region AACA website. The region secretary will send email notices with the latest information about all region events and other activities of interest.

The April Swap Meet has been canceled. The Spring Tour status is unsure. It may possibly be postponed or canceled too. The status of the July Car Show at Cantigny and the Fall Tour are not certain at the time of this roster printing.
