THE PRESIDENT'S MESSAGE

Dear Members,

Hard to believe that the month of May is upon us. The time is passing so quickly, I feel I'm writing the President's message every week.

Thankfully, I receive a reminder from our wonderful SIDELIGHTS editor about the message.

We are finally going to have a three-day spring tour and after reading about the tour it is going to be a busy three days. Plenty of effort and anxiety made this tour possible. It should be a great time. Chris Schurrer deserves a big THANK YOU for his efforts on putting this together. This will be the first tour in which the Greater Illinois region of CCCA has been invited. The region will be including them in our tour rotation if this proves successful. Not only will it increase attendance on the tours, but it will open up new and exciting collections for us to visit.

Monthly Recipe

Spanish Rice

A delicious side dish for Cinco de Mayo

Ingredients:

- 1 can chicken broth
- 1/2 can water
- 1 can Tomatoes & Green Chilies
- 2 cups white rice
- 1 small onion, chopped
- 1 large garlic clove, minced
- 1 tsp. cumin
- 1/8 tsp. garlic powder
- 1/8 tsp. onion powder
- salt & pepper to taste
- 4 tablespoons margarine or butter

Directions:

Brown rice in butter in an electric fry pan at 350 degrees. Add onion and minced garlic. Cook till rice has lightly browned. Add remaining ingredients and simmer until done.

THE PRESIDENT'S MESSAGE (continued...)

Also, this month on Sunday May 29th, the 50TH anniversary show for Silver Springs, and a great show it will be with some amazing guest making an appearance at the show. Also, if you can find the time, Silver Springs would truly appreciate any help you can provide for setup or working the show on Sunday. Contact Al Matison @ 815-414-1239.

Make sure you start shining up that old car of yours for the upcoming Region Car Show. The show will take place at Cantigny on July 17. If you need additional information about the show call Bob Markert at 630-852-9893.

There are plenty of non-AACA events also happening in this month and next.

Little Hershey will take place on 5-21-22 at the Boone County Fairgrounds

The Glen Ellyn show on Saturday, June 4th.

The Model A show in Sharon, WI on June 5, 2022.

We can't forget the Father's Day show on June 19th sponsored by the CCA at Oakbrook. Always a showing of magnificent automobiles.

Also in June, the Cadillac Club will be having their Grand National Meet, June 21 thru June 25 in Lombard, IL. This is a wonderful event with Cadillacs from around the world being shown.

Buick will be holding a National meet in Lisle, IL on June 23 thru June 25.

If you know of a non-AACA event that would be of interest to our members, please let me know by email. dansobczyk@yahoo .com.

On a personal note, I solicited antique vehicles through SIDELIGHTS for a VFW Memorial Day parade that was to take place in East and West Dundee. **Regretfully, the parade has been cancelled.** The VFW was informed of a parade route change that would take the parade along the side streets of West Dundee as opposed to being on a major road that runs thru both towns. Safety was cited as the concern. Last year in Wisconsin, during a parade, a person purposely ran down parade participants with his vehicle. As a result of this action, a number of parades are being cancelled in our area. Our lives are being changed due to the action of one person. If this continues, the "BAD GUYS" win. Agree or disagree, it is happening.

Until next month,

Dan

Special Invitation

Greetings All,

I am happy to announce the Centerville Antique Automobile Touring Society has invited the Illinois Region AACA and it's chapters to an automobile mystery rally to be held on May 15th leaving Marengo.

This rally will include instructions written with clues as to the route to get from the start point to the next location, where another set of clues will be given to get to the next stop and so on.

Bring your thinking cap and enjoy this fun and unique event.

If there are any questions, please feel free to contact me. If you do plan on attending the dinner, make sure to have the checks to Vince in time as he needs to confirm with the restaurant the number of guests. If you wish to attend the rally and not attend dinner, please still call Vince to let him know you will be attending so enough sets of clues can be made for you, the hard deadline for both is May 7th.

See Page 15 for Event Flyer.

Regards,

Chris Schurrer

REV UP YOUR ENGINES AND SHINE UP YOUR CARS!

The Silver Springs Car Show is presenting the 50th Annual Car Show and Swap meet on Sunday May 29, 2022 at the Sandwich Fairgrounds.

Again this year, this show is one of earliest car shows and swap meets. Like last year, we are expecting a HUGE turnout of cars, vendors and spectators. The show will feature show cars, antique cars, parts swap vendors and a flea market with food vendors. This will be one of the first of the large car shows in the Chicagoland area and we are anticipating a large turnout.

All AACA Illinois Region members are cordially invited. Bring your family and friends and spend the day in the fresh air and beautiful surroundings of the fairground. Come and meet Arnie Beswick, famous drag racer. Entertainment will be 3D Sound. Start your 2022 car show season with us!

Last, but not least:

Because we are anticipating another record breaking turnout this year, Silver Springs is asking Region members to give us an hour or two of help. We need people to work the gate or work parking the show cars or work the registration table or the Illinois Region membership table. Any and all help will be appreciated. If you can give us a hand, contact Bob Markert at 630-852-9893 or at rjmarkert42@aol.com.

Region News:

IT'S BACK!

It is back! After a two-year absence, the Illinois Region Car Show is back again. The show will be held at Cantigny Park in Winfield Il. on July 17th. 2022. The feature car will be Lincoln, which is celebrating its 100th anniversary.

This year's show is especially important because it gives all members, family, and friends the chance to get together and enjoy what we hope will be a beautiful summer day, after being apart for so long. **In addition**, you also get the opportunity to look at all the wonderful cars presented for us to enjoy.

One thing about putting on a car show **is** it takes help from the Region members and friends to make this show happen. **WE NEED YOUR HELP!** We cannot do it without **YOU!** Please think about helping. One thing I do know for a fact is we are all getting older. With that said, it gets harder to do the things we once took for granted. If you cannot volunteer to work all day, that is fine. we understand. But how about a few hours? Every bit of help is appreciated! Look, if you have trouble standing, we can find you something to help with, sitting down. Think about it, if you have any questions call Bob Market or myself, Jim Sikora.

Also, consider bringing your collector cars to the show. **Cantigny Park is a beautiful venue for a car show.** Everyone would love to see members' cars after such a long absence. This is a good excuse to take your classic car for a ride. Your car does not have to be perfect. One thing I have found out is that most visitors at the show do not care if the car is 'perfect', they just love to see something different.

Flyer & Registration form on pages 21 & 22. Any questions please call Bob Markert (Show Manager) 630-852-9893, Bob Wenderski (Registrar) 847-234-2394 or Jim Sikora 708-246-4707.

Thanks,
Jim Sikora

Waukegan/North Shore Chapter Meeting April 8, 2022

by Jo Ann Flynn, News Correspondent

The Waukegan/North Shore Chapter held its monthly meeting at the garage of members Mike and Nancy Roach. Mike's garage is a wonderful workplace for anything automotive, especially Mike's Stanley Steamers, and a very comfortable place to hold our meeting.

Twenty seven members attended the meeting.

Region News: (WNS Chapter Meeting cont...)

Mike also showed up a video of the Stanley Steamer collection of Tom Marshall.

Here's a picture of Tom Marshall with his 1910 Stanley Steamer, one of 15 in his collection. These cars are not for the faint of heart. Tom explained that it can take 45 minutes to get one of his cars started and there is also a process to shutting them down after driving. This is not the car for a quick getaway!

Carroll Flood presented Nancy Roach with tulips as appreciation for hosting.

Isn't this the story for all of us?

Happy Motoring!

The Risleys of Baraboo (Spring Tour destination) by Jenny Risley

This article is not necessarily about cars but an interesting connection that Tom Risley has with Baraboo through his ancestors, though there is an interesting tidbit relating to automotive research you will see at the end.

George F. Risley
Co. K 3rd NY Cavalry
Picture taken 1862
Age 22

1865 Diary

The weather was commented on a lot, some important people were noted but no specific locations given. Several entries of interest in April - "we got the evel news of the assassination of President Lincoln"; "pretty still about making wurry over the death of the President"; "solomn Funeral day of our beloved President".

Emily Amelia Faller
Born Philadelphia, Penns.
Picture taken 1867
Age 20

Tom's great grandfather immigrated from Germany in 1854 as Gottlieb Friedrich Roeszle. Soon there after he Americanized his name to George Risley. Later in his life he changed his name back to Gottlieb Roeszle, but the family kept Risley for their last name. In 1861 George enlisted in the army as a bugler for Co. K 3rd NY Cavalry. He re-enlisted and served until the Civil War ended in 1865. He saw action in Virginia and North Carolina. Based on information obtained through written records we believe that he was in the vicinity of Richmond & Petersburg at the end of the war. The present family is fortunate to have in their possession the diary he kept for the year 1865. Even though the war ended in April the diary was very helpful in following him to the next stage of his life. After selling his horse and gun he traveled westward via train & stagecoach arriving in Ottumwa, Iowa where he stayed about one year managing a cigar store. Next we see that he opened his own Cigar store in Baraboo in 1867.

In 1870 he married a local girl Emily Amelia Faller, known as Amelia, and shortly thereafter they moved to Philadelphia where six children were born, moving back to Baraboo the seventh child was born in 1885. The six boys were given names of people who were important to Gottlieb in his life, their "nicknames" were - Fred, Ed, George, Alex, Robert, Frank and the girl Clara. Unfortunately Gottlieb died in 1890 at age 50 most likely due to disease, swamp fever, he contracted during the Civil War. We are not sure of what Amelia did at this time with six children ages 5 To 16. She did have to petition to the State of Wisconsin for guardianship of the children. She also applied for a veteran's widow's pension. The sons grew up to be Bankers, a Doctor, an Insurance Agent and Store Owners. Two remained in Baraboo, two moved to Chicago, one to Milwaukee, one to Madison and Clara to Missouri. Amelia remained in Baraboo on Birch St. with Fred & Ed living nearby.

In 1901 Fred & Ed opened their first store at 522 Oak St. in Baraboo. In 4yrs the store doubled in size expanding into the store next door. In 1910 the Risley brothers built a new clothing store at 129 3rd St. The three-story business brought big city design to Baraboo with the use of front window display and skylights for natural lighting inside a main sales floor, uninterrupted by posts. The store was known for fine fashion and the annual spring fashion show complete with orchestra. In 1928 Fred & Ed retired but the store continued on as the Risley Bros Company. By 1933 it closes being taken over by the Schweke Brothers.

As businessmen Fred & Ed had the means to do and own more. Fred was quite involved in the community serving on various boards and committees, belonging to many clubs - the walking club. Information can be found about him in many of the publications of the time. Ed owned a cottage on Devil's Lake which was used by family members and later the location for many Risley reunions.

Tom's Uncle Walt

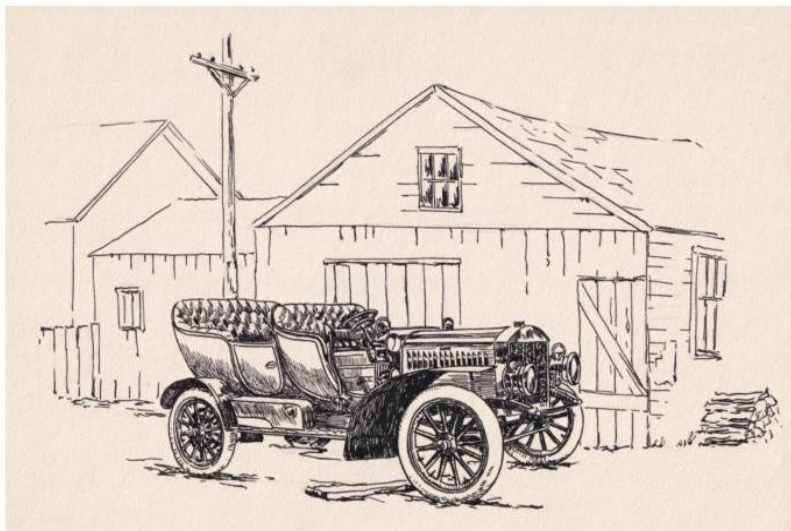

Amelia

John "Jack" Tom's father

And now for the automotive connection. Tom's Uncle Walt, given name *George Walter*, was quite talented. There's enough to know about him that can be written in another article for a later *Sidelights*. Briefly, at age 28 Walt was hired by THE David Cameron Peck, *Automotive Enthusiast* of Chicago. Walt was responsible for Mr. Peck's extensive collection of automotive related sales literature, trade journals, books and periodicals. His other duties included supplying necessary information for the restoration of many of Peck's automobiles. Walt later worked at the Detroit Public Library in the *Automotive History Collection*. He was a very talented artist as you can see by these sketches/drawings.

THIS SPRING, REST AND RELAX AT

Take a step back in time for our lodging at this year's Spring Tour as our host hotel is the historic Round Barn Lodge in Spring Green, Wisconsin. The historic round barn, one of about 200 round or round-like standing in Wisconsin, was converted to a restaurant in 1952. In 1974, the lodge addition was built, designed by James Pfefferkorn, a Frank Lloyd Wright Associate and renovated in 2004. Frank Lloyd Wright said of the barn "they don't build them like that anymore."

We will use this 3rd Generation owned & operated lodging as the base hotel for this year's Spring Tour, which will be held from Thursday, May 19 – Saturday, May 21, 2022 hosted by the Waukegan – North Shore Chapter. We are pleased to announce our "inflation fighter" prices of \$94.50 per night plus tax for a room with a single king bed and \$112.50 per night plus tax for a room with two queen beds for our stays Thursday night through Sunday Morning. We have a block covering all the remaining available rooms in the hotel, 24 rooms, so ensure your room at the host hotel by calling (608) 588 – 2568 right away, and especially by April 30th to lock in these low rates.

What? : The Illinois Region Spring Tour (It's happening!!)

When? : May 19 – 21, 2022 (Hotel nights 19th, 20th, & 21st)

Where? : Round Barn Lodge. E4830 U.S. Rt. 14, Spring Green, WIS

**How Much For Lodging? : \$94.50+tx/night for 1 King Bed,
\$112.50+tx/night for 2 Queen Beds**

How To Reserve? : Call (608) 588 – 2568. These rates are held until April 30th, but call soon to ensure your room will be waiting for you.

CIRCUSES AND TRAINS AND ... EVERYTHING ELSE, OH MY!!!!

The Waukegan – Shore Chapter cordially invites you to this year's Illinois Region Spring Tour. This year we are delving deep into the archives are revisiting a member favorite tour from 1989. We are happy to present this revised tour for May 19 – 21 2022, with all the great spots and picturesque roads which have stayed the same over time. As of this writing we have secured our three major attractions for the tour. One on day, we will "See Yoo in Baraboo" with a stop in Circus World Museum. Within the 1884 Ringing Brothers Winter Headquarters, the museum holds one of the largest collections of circus related materials in the world. Not just a static museum, there is always happenings on site, especially in their own Big Top.

Further west we will be treated to a scenic rail excursion through the Baraboo Range aboard the Mid-Continent Railway Museum's train. The museum itself has several very interesting locomotives and rolling stock on the grounds to peruse as well as the restored 1894 Chicago & Northwestern depot. The perfect way to close out a day of fine motoring!

The other day of festivities will keep us local to the host hotel, where we will "Be Seen in Spring Green." The highlight of that day will be the fabled House in The Rock. Ask anyone who has gone to this only-place-like-it place, will be hard pressed to quickly explain it. "It's a once in a lifetime experience" many will say, and indeed it is. Since opening in 1959, the house and its many distinct rooms of architecture and "artifacts" has spellbound visitors. A group of historic storefronts in The Streets of Yesterday, the audibly filled Music of Yesterday room, The Heritage of the Sea Room, the World's Largest Indoor Carousel are some of the many favorites. Have fun enjoying all the sights and sounds, and the vintage artifacts sleuths can test their skills at what is replica and what is original. Although the answer will likely remain a secret. Everyone will not just find something, but many that get their attention.

But wait, there's more!

Saturday evening, enjoy the fine quintessential Wisconsin Supper Club cuisine at Arthur's, across the street from the lodge. Arthur's has been a favorite in the Spring Green area since its opening in 1966 known for its Prime Rib and Fish dishes. We will dine in our own private room at the restaurant with items to choose from. A fine way to conclude official festivities.

On Sunday we have a bonus day for all those who want to get a few more miles of touring into the weekend. We will be traveling into Merrimac and Sauk City to visit several locations. In the morning, we will visit Tumbled Rock Brewery. This recent addition to the area, opening in 2019, brews several unique beers on sight on its two-acre setting. Of course, it's not only where you go but how you get there, and our trip will arrive to a portion of highway without a road to cross a river without a bridge. For ½ mile, we will travel over Wisconsin's last remaining free ferry service, on the Colsac III to cross the Wisconsin River, where a ferry has been providing service since 1844. From there it is on to our final stop of the day, the wonder mysteries of the Forevertron. This 300 ton, 50 foot high sculpture is the world's largest made of scrap metal, incorporating two Edison dynamos, items from the former Badger Ammunition Plant, the decontamination chamber from Apollo 11 spacecraft amongst any others. Next door is an experience equal in uniqueness. Delany's House of Surplus has everything from canned goods to heavy mechanical equipment, and EVERYTHING in between. The inventory is always changing, and you never know what will want to follow you home afterward.

As our final bonus, on Thursday we will have a "Caravan to the Big Top". Leaving McHenry at 10 a.m. with a pickup point for those traveling up I – 39 in Milton, WIS, have a great day on the country roads traveling together to the main event. Make sure to check the box on the registration form if interested in any of these bonus days and we will keep you informed on those details.
