THE PRESIDENT'S MESSAGE

Dear Members,

I hope you have been able to take advantage of the wonderful weather we've had this past month and get the old cars ready for the driving season ahead.

This past month we had the election of officers for the upcoming year. Bob Wenderski will continue as treasurer, Pat Markert will continue as the secretary, Chris Schurrer will continue as Vice President and I will continue as the President. Also, at this meeting the new board members were introduced to begin their three-year term. They are Chris Schurrer, Rick Shaw and Dale Woosley.

Thank you to all the officers who graciously donate their time to keep the club functioning for the enjoyment of all.

I also want to thank all the members of the board for their support and for the opportunity to continue in the position of President. There are many things to be accomplished this year.

Coming up on April 7 is the annual swap meet at Napleton Chevrolet. The show is in the capable hands of Bob Markert. The show requires a number of helpers and if you have the time to provide assistance on Saturday for setup or on Sunday for the show, please contact Bob and let him know that you are willing to help out and make the show a success.

(continued on page 5...)

THE PRESIDENT'S MESSAGE (continued from page 4...)

As a reminder, the annual spring tour will be happening in May. The tour is being sponsored by the Waukegan/North Shore. The tour will be headed to the beautiful area of Galena. The tour will happen a little earlier than normal. Please mark your calendar and plan on attending the tour on May 2nd thru May 5th.

Lastly, there is a great car show coming up on June 16. The CCCA will be sponsoring their annual Father's Day show at the Oakbrook Shopping Center. If you have not attended this show, it is a must-see car show. Plan on it. For more information about the show, contact Russ Rodriquez.

Until next month,

Dan

BOARD MEETING AGENDA - Meeting 1

Date: 2/03/2024

Hosts: Region Board

Location: Carpentersville Public Works

1. Welcome—Dan Sobczyk called the meeting to order at 10:53 am. He welcomed the board members and the visitors.

Roll Call: Present: Dan Sobczyk, Chris Schurrer, Pat Markert, Bob Wenderski, JoAnn Flynn, Ed Flynn, Bill Vroman, Rose O' Halloran, Nancy Nelson, Bibiana Garcia, Jerry Bodden, Lee Nelson, Al Matison, Andy Voss, Bob Markert. Dan Helgren absent/ proxy is Chris Schurrer. Jim Sikora absent/ proxy is Bob Markert. Visitors: Joanna Vroman, Cheryl and Dale Woosley, Joan Bodden and Humberto Garcia.

Secretary Report: Pat Markert reported that she had sent the minutes of the November meeting out shortly after the meeting and again last week asking for additions, corrections and deletions. There were none. Al Matison made a motion to accept the Secretary's report as written; second Bill Vroman. Passed.

She also reported that one of the members, Ken Muellner, was ill and currently in a nursing home recuperated. Ken found that he was suffering from cancer of the blood. This type of cancer thickens the blood. If not diagnosed, the patient would suffer from a stroke. Ken is getting medication to thin the blood, but as a consequence of the disease, he had to have the toes on his right foot amputated. As of February 3, he is at Astoria Place, 6300 N. California Ave., Chicago 60659.

Treasurer report- Bob Wenderski reported that as of February 3, 2024, the Region has increased revenues primarily from membership renewals. The Region paid out money for meeting refreshments, Sidelights publication, stamps and chapter dues reimbursements. Paid or comp memberships total 93. Chris Schurrer made a motion to approve the report: second, Bill Vroman. Passed

Standing Committees:

Membership — Andy Voss reported that he would have the final roster list ready to send to National in just a couple of days. He handed out a list of members who have still not paid their dues and asked board members to contact any that they knew.

Publication- Bob Markert remarked that Laura enjoys doing the Sidelights,, but asked that if you send in a flyer or an event, please be sure to give time and dates as she gets inquiries and doesn't have the information. It was suggested that she attach to incomplete notices that tells members who to contact i.e. the chapter President.

Legislative- Lee Nelson reported that there were a lot of law changes at the beginning of the year. For example:

1. If you build or remodel a home, you must include a spot for an electric vehicle
2. If you buy a car online, you can now sign the papers when the car is delivered
3. The Department of Transportation must develop an app that will give real time traffic and weather information.
4. If you chose to put decorative lights on a motorcycle, you may not use blue.
5. You may have a video conference while driving.

6. You may no longer be pulled over for having something hanging on your rear view mirror. If the police pull you over some other infraction, they can still give you a ticket for having obstructive vision, but they may not pull you over just for that.
7. Tollway transponders, as they expire, are being replaced by stickers which should be mounted on the windshield just behind the rear view mirror.

Lee said there are more, but these are some of the more interesting.

Website- Bill Vroman reported that the website is doing well and is up to date. He adds new dates as soon as he receives them.

Archivist- Chris Schurrer reported that their search for the 1975 tour to Galena has produced results but they are still looking for copies of the old tour. He also mentioned that someone has donated a large pile of Antique Automobile magazines. Our Region does not archive these. So, in the near future Chris will be looking for someone to take some of these magazines to donate them to National.

3. Activities

A.) Swap Meet 2024—Bob Markert reported that he has just recently received a go ahead from Napleton Chevrolet. Dale Baum, who is our liaison at Napleton, recently lost his wife, but is going ahead with plans for the Swap Meet. Date of the **Swap Meet is Sunday, April 7**. Bob also mentioned that we need help to run the meet. He sent sheets around the meeting for people to sign up to help. Bob Wenderski volunteered to print the flyers.

B) Spring Tour - WA-NS hosts. Chris Schurrer reported that the tour is moving earlier in the month of May. The plan is for the tour to be May 2-5 headquartering at the Chestnut Mountain Resort in the Galena area. Chris reported that the banquet will be held at the hotel and that there will probably be a tour heading home.

C) Fall Tour - The SS chapter is planning on moving the Fall Tour into September. They are considering a tour to Greenfield Village outside of Detroit. We will be staying at a Best Western Hotel that has a shuttle to Greenfield. There would be little touring on this trip. Basically you drive to the hotel and leave the car there for the whole stay. The Old Car Festival will be going on while we are there and is the impetus for us going. Dates for the tour would be September 4-8.

4. Chapter Reports

- Des Plaines Valley-Lee Nelson reported that the Chapter had hosted the Fall Tour followed quickly by the November Board Meeting. They are now in hibernation for the winter.
- Fox Valley-Dan Sobczyk said that the FV chapter is planning an outing to the Elgin Historical Museum on March 23 and a Pizza party and Model Car Show for a date in April. He said they were also for a place to hold the Potluck and Auction event.
- Silver Springs-Al Matison said that the SS chapter is having a lunch and bowling party on February 24 in Plano. They already working on the May Flea Market and Car Show.
- Waukegan/ North Shore-Dan Helgren reported that the chapter had their Christmas party at Parkway on the Lake in Ingleside again last December. They elected the same officers for 2024 but because Don Schreiber has some health problems, he is being replaced by Paul Maurer. They are planning a St. Pat's party on March 24 and are working on the Spring Tour.

5. Old Business:

Pat Markert brought up that a member had asked about getting AACA jackets as his old one is getting worn out. Humberto Garcia offered to look into pricing, sizing and design.

Al Matison mentioned that chapter member Terri Shaw's son had to have his leg amputated. She and Rick are currently out east helping out during this time. He also mentioned that former member John Baxter's son passed away suddenly and He and Carla are in attending to this.

6. New Business:

- Board candidates: Pat Markert as the ballot committee reported that they sent out 247 ballots and received 72 back. Elected were Dale Woosley, Rick Shaw and Chris Schurrer. Dan Sobczyk asked how many are normally returned and were any write in candidates given. Pat answered that normally they receive about 175 back and that no write in candidates were given.
- Lichtfeld Award: The Lichtfeld Award, normally given at this meeting, would not be presented as Jenny Risley could not make this meeting. The plan is to present it at the March meeting.

7. Visitor input - Humberto Garcia came up with several ideas for promoting the club and, hopefully, attract new members. Among the items mentioned were windows decals and magnetic signs. He felt that using these during local activities would let people know that we are a club and have activities thus engendering more interest in joining. Jo Ann Flynn made a motion for the board to get more information about the cost of getting these things. Rose O'Halloran second. Passed.

Humberto said he would get together this information. Other possible ideas to increase interest suggested by Humberto were monthly meetings, having a brunch and taking part in parades of various towns.

Jerry Bodden mentioned the antique car dealer called Gateway to Kenosha has an open house the last Saturday of each month. If a car club shows up with 20 cars, the dealer pays the club \$200. Jerry related that one of the clubs to which he belongs has done this several time. Occasionally when they had less than 20 cars, the dealer still paid them \$20 per car for those that did show up. This might be a good way to advertise the club and attract new members as there are a lot of lookers. The commitment is to be at the dealership from 9 am to noon. And they have donuts and coffee!

Dan thanked board members Bill Vroman and Jo Ann Flynn who are ending their terms on the board for all their hard work and attendance at board meetings.

A motion was made by Jo Ann Flynn to adjourn the meeting; second, Bob Markert. Passed.

Meeting adjourned at 12:03 pm.

Galena Tour

As our cars are in hibernation, we at the Archives are working hard to bring you back to the future gathering data from the 1975 Fall Tour to Galena to use as the planned 2024 Spring Tour hosted by Waukegan - North Shore Chapter.

We thank both Jenny Risley & Dan Helgren for supplying data and we almost have pieced together the full tour from back then.

If anyone has any information on the Friday tour (especially a tour sheet) from the 1975 event, please do not hesitate to pass it along, it is the remaining puzzle piece left.

Looking forward to hitting the ground running in planning for a wonderful touring season!"

Thank you greatly!

Monthly Recipe

Shamrock Shake Pie

Submitted by Laura Cielenski

Ingredients

12 graham crackers
2 tablespoon brown sugar
 $\frac{1}{2}$ cup butter, melted
 $2\frac{1}{2}$ cups milk, cold
 $\frac{1}{4}$ teaspoon green food coloring
2 teaspoons mint extract
5.1 ounce box of instant vanilla pudding mix
8 ounces container whipped topping, thawed

Instructions

Grease a 9-inch pie dish with butter or shortening and set it aside.

Place the graham crackers and brown sugar in a food processor and blend until the graham crackers become fine crumbs. While the food processor runs at low speed, gradually pour in the melted butter until the crumbs start to stick together.

Firmly press the crumbs into the bottom and up the sides of the pie dish, and place it in the freezer for 15-20 minutes, or until the crust is firm.

While the crust is freezing, whisk the milk, green food coloring, and mint extract in a large bowl until the food coloring is distributed evenly and the milk is green.

Add the vanilla pudding mix and continue whisking until the pudding starts to thicken. Let the pudding rest for about 5 minutes to thicken up more.

Fold the whipped topping into the pudding until it is well mixed, then spoon the pie filling into the crust, and smooth out the top of the pie.

Place the pie in the freezer for at least 6 hours or until the filling is completely set. Top with whipped cream and maraschino cherries, if desired, and serve cold.

AACA-IL Region Annual Car Show Returns

The annual AACA-IL car show is back on July 21, 2024 after a year 'off. ' This was due to problems we encountered with Cantigny's transition to a new governing board and a shift in the mission regarding support of nonprofit organizations that caused us to suspend the car show last year and begin our search for a new venue.

The new venue for our car show will be Carpenter Park, in Carpentersville Il. Humberto Garcia suggested it. This park is large enough (20 acres) to accommodate our usual number of cars, and more space if needed. There is a covered band shell that can be used for cover from rain or a shady space to gather with friends. Different this year is we will be parking our cars on grass. All three choices that we were considering moving to had this feature. There are pros and cons to parking on grass. If we have wet weather, there could be problems such as getting the cars dirty, or some areas of the park may not be usable. On the other hand, if the weather is nice, the grass can provide a cool surface, rather than asphalt that holds heat and can make showing your car almost unbearable. We hope Carpenter Park will become our long-term home.

And as always, WE NEED YOUR HELP! As our members get older, it gets more difficult to work at car shows and swap meets. We understand! What we are asking is if you can volunteer for a few hours, we can use you. Any help is better than no help at all. We need people for every aspect of the show, registration, parking, judging, tallying scores, etc. Let us know if you are requesting a specific job.

For more information call Jim Sikora (708) 691-9854 or Bob Markert (630) 852-9893.
