CHAPTER CONTACTS

Des Plaines Valley President: Lee Nelson
815-729-0366 l-n522@juno.com

Fox Valley President: Dan Sobczyk
847-428-0247 dansobczyk@yahoo.com

Silver Springs President: Al Matison
815-414-1239 almatison@hotmail.com

Chapter meetings are held the third Wednesday of every month at member homes.

Waukegan-North Shore President: Dan Helgren
847-533-0349 danhelegan@aol.com

Chapter meetings are held the second Friday of the month September through May (excepting December) at State Bank of the Lakes, 50 Commerce Dr., Grayslake, IL 60030

THE PRESIDENT'S MESSAGE

Dear Members,

The old car season is in full bloom. There are multiple car shows and cruise nights to fill every day of the week, you need to pick and choose from the selection of events.

One of the events that is coming up is the AACA REGION CAR SHOW. I hope you have the event marked on your calendar.

Jim Sikora and Bob Markert have been hard at work setting up this show. This is our show, it has our name on it. We need to support Jim and Bob and show them we appreciate the time and effort they put behind the show.

The venue is great. A beautiful grassy field with plenty of room to park the cars. They have set up food vendors for your enjoyment.

The show will not run on its own. Volunteers are needed for setup, judging and cleanup. Let us show Jim and Bob we are behind them by volunteering to pitch in and help. Even a couple of hours of your time would be appreciated. You can call or text Jim at 708-691-9854 and let him know you would be willing to help.

The club has a number of beautiful cars owned by our members. Don't let that great ride sit in the garage and gather dust. You have the option of bringing your car for display only or to be judged. Let others enjoy your ride.

Again, this show has our name on it. Let's make the show a success. The future of this show depends upon your participation.

Hope to see you at the show.

Dan

Location: Somonauk Library

Time called to order: 10:55

- **Membership**— Andy Voss said he really had nothing new to report. Dan Helgren asked Andy if, when he sends the first year free slips to National, if National inform him. Andy said no. Discussion ensued. Chris Schurrer suggested that all chapter Presidents send these forms to Andy and let Andy send them to National. That would eliminate the problem.
-
- **Publication**— Bob Markert reported that things are going well with Sidelights. Laura did remind us to send in stories for publication. She also asked, if possible to get stories in by the 20th of the month.
-
- **Legislative**— Lee Nelson said there was nothing new on the legislative front. Dan Sobczyk wanted to know if Lee knew anything about an age discrimination suit that AARP has brought against the DMV for making seniors take road tests more frequently than younger drivers. Lee said the DMV has not been enforcing the more frequent road tests because they don't have enough testers. Jerry Bodden mentioned that Haggerty has increased the tax on insurance premiums. Others said they have seen the same thing on their bills.

- **Website:** Pat Markert read the following report from Bill Vroman. "I don't have any updates to give other than the website is up to date with the proper flyer for the region show and I have had no response from the national website contact regarding use of outside advertising on our site to defray the costs associated with credit card processing. "
- **Archivist**—Chris Schurrer reported that there was no recent activity in the archives. He did say that from these archives and other sources, he was able to reconstruct a tour from 1975 which they repeated on this year's Spring Tour. It was great fun.
- **Car Show Manager**—Jim Sikora reported that they are proceeding with plans for this year's show in Carpentersville. However, Jim expressed some confusion about why more of our members are not registering for the show. Car shows seem to be a main focus of most car clubs, but our members seem not to be interested. We average 4.7 cars per member if you add up all the cars listed in the roster and divide by the number of members in the roster. He felt we should have more members registered by this time. Discussion ensued. No answer was reached.

3. Activities

A.) **Fall Tour**—Al Matison reported that they are working on the tour. Chris Schurrer gave more details. We are staying near Detroit at the Best Western in Allen Park, MI. We suggest checking in on Wednesday, September 4. The show is from September 5: to September 8. Almost all of our trip will be at the Greenfield Village. We can come and go by shuttle each day, though it is not handicapped accessible.

An email will be going out shortly with hotel information. Depending on how many days you stay and how many places you go, it may be cheaper to buy a membership. This information will be sent to members with the save the date.

4. Chapter Reports:

- **Des Plaines Valley:** Members worked the Swap Meet and attended the Spring Tour. The chapter also plans on helping at the Region Car Show.

Rose O'Halloran reported that his car broke down on the Spring tour. He had driven Lee and Nancy Nelson, but left them on tour and headed home to fix his car. On the way he started having trouble with his vision. He thought he was having a stroke. He headed to the hospital and found his retina had burst. He is doing well and wanted to thank Chris Schurrer for taking the stranded Nelsons home.

- **Fox Valley**

The chapter is having a tour and model show on June 22. We are doing a short circle tour beginning and ending in Lisle. We will be stopping at Fermilab and visiting the bison, stopping at a Russian Curio Shoppe and on to Paisano's pizza for the model show and lunch.

In addition, we have a tour on August 24 in conjunction with the Geneva Concourse.

- **Silver Springs**

Al Matison reported that their car show was rained out and that the fairgrounds doubled their rent for the show. He also reported they are working on the fall tour.

- **WA-NS**

Dan Helgren said that the chapter was having a special meeting to discuss the by laws. Because of monetary concerns, there is conversation about changing the freebies given to officers and the chapter's subsidizing activities.

August is a busy month for them. They have the tour to Union, a tour to Sycamore and the show at Grand Dominion which many of their members attend. The chapter picnic is August 18.

5. Old Business:

Jackets: Rick Shaw reported that he received some costs from the jacket supplier. The base price of the jacket would be \$72. To that price there would be add-ons for larger sizes, for taller sizes, for embroidery or screen printing. Discussion ensued. It was decided that the secretary would send out a survey to the membership asking about interest in a jacket.

Magnet. It was decided that Rick Shaw would get a sample.

Photo contest. Pat Markert admitted she had forgotten to send out the notices on June 1, but had done so on June 8. We are waiting for entries.

Pat reported that she and Ed Flynn had been having a conversation about problems with the board meetings. They both felt the board needed to be more efficient in its deliberations and more complete in its follow through. One suggestion was that the meetings start on time. Today's meeting started almost 30 minutes late. There was no discussion.

6. New Business:

Change in agenda.

Pat Markert said she felt the meetings dragged and that by the time the board gets to the old/new business portion of the meetings, board members are bored and antsy and that these items get short shrift. To that end, she proposed we get rid of chapter reports and move old/new business immediately after the treasurer's report.

Chris Schurrer felt this was not a good option. He said we are supposed to use Roberts's Rules and that the agenda is set by that. Pat pointed out that even with Robert's Rules, organizations are allowed to alter the agenda to fit their needs. Chris felt that by moving the Old/New Business so early in the meeting, it would limit discussion if something came up during the committee reports and chapter reports. He also felt it was important for the board members to be up to date on chapter goings on.

Discussion ensued.

Dan Sobczyk made a motion to table the discussion; second, Lee Nelson. Passed with one dissent.

7. Visitor input: Dan asked if there was any visitor input. There was not.

8. Next Board Meeting—9/14/24 Hosted by Waukegan-North Shore

9. Adjourn— Al Matison made a motion to adjourn the meeting; second, Bob Markert. Passed. Meeting adjourned at 12:35 pm.

SIDELIGHTS

Suggestion Box

Hi Members.

It is July and summer is really getting going. Pool parties, holiday parties, picnics, BBQs. And what goes best with all those events? Why, SALADS!

Potato salad, macaroni salad, pea salad, broccoli salad, tomato and onion salad, fruit salad. Yum. I am really craving a big helping of . . . ?

That's it!

Send in a recipe for your favorite summer salad. They will appear in the August issue of Sidelights, just in time for the end of summer festivities.

Remember to send them to Laura at aaca.sidelights@gmail.com.

Bob Markert

PHOTO CONTEST!

Hi All,

Quick get out that camera!!!

You guessed it! It is time for the 2024 Annual Photo Contest!

We are looking for photos of lovely scenery, for photos of quirky attractions, for photos of the silliest people doing the silliest things you have ever seen. BUT each photo **must have a vehicle somewhere in the picture.**

"Do you see that truck hidden behind the hayrack?" "Do you see that boat on the horizon?" Get the picture? Pardon the pun. We are **not** looking for pictures of vehicles. We are looking for pictures of summertime fun that just happen to have a vehicle in them.

You can enter as many pictures as you please. All entries must be submitted by August 31. Prizes? Yes we will award PRIZES

1st place winner gets both National and Region dues paid for 2025

2nd place winner gets their National dues paid for 2025.

3rd place winner gets their Region dues paid for 2025.

Winners will be featured in Sidelights, of course, and will get bragging rights for a whole year. Now that's priceless.

Entries should be emailed to aacasecretary@gmail.com or mailed to Pat Markert, 4600 Stonewall Ave., Downers Grove, IL 60515.

Judging will be done by the Executive Board of the Region. All decisions are final.

Looking forward to a mailbox filled with pictures of good time.

Have fun!

Pat

Monthly Recipe

Lemon Cake

Submitted by Laura Cielenski

Ingredients

- 1 box Lemon Cake Mix
- 1 box lemon pudding
- 1 additional egg

Directions

1. Follow cake box instructions except add additional egg and use melted butter instead of oil.
2. Mix cake mix and pudding together, then add moist ingredients. Bake per cake box directions.

NOTES:

- You can also use yellow cake mix instead of lemon.
- Cake can be made in a 9x13 pan or a bundt pan.
- You can also make a glaze for the top with powdered sugar, lemon juice and water.

For a Chocolate Pudding Cake - Use chocolate cake mix and chocolate pudding.

FROM SCIENCE TO HISTORY TO FUN

By Pat Markert

On June 22, the Fox Valley Chapter set off on a circle tour of the western suburbs starting and ending in Lisle. The chapter gathered at our favorite watering hole chain, McDonalds. Leaving that location they headed north weaving into and out of the most varied collection of subdivisions, parks, highways and byways.

Our first stop was Fermilab in Batavia.

Fermilab Science Center:

After a lovely road trip, we arrived at the Fermilab Science Center. This is set up for visits from school groups so each exhibit is a learning experience. Learn how to bend light, how to make a particle family and what is symmetry.

After parking, the group kind of scattered. Some went to the outdoor attraction where you can take a quiz or turn yourself in the hand on a sundial. Others headed right for the air conditioned Science Center where we got to play with all kinds of games teaching us about what they do at Fermilab.

This machine showed how you could bend light using a magnet.

Be sure to ask Fernanda and Bibianna Garcia about what they learned about scatter patterns while playing with marbles.

I think this machine is used to build a cloud chamber.

Andy Ibata won the hard luck award on the tour when his 1986 LTD not only overheated and broke down, but then sprung a flat tire in the parking lot. Here, Andy and Humberto make arrangements for a tow truck to pick up the car and take it to a garage, while Bibi and Dan look on. Andy finished the tour riding with Chris.

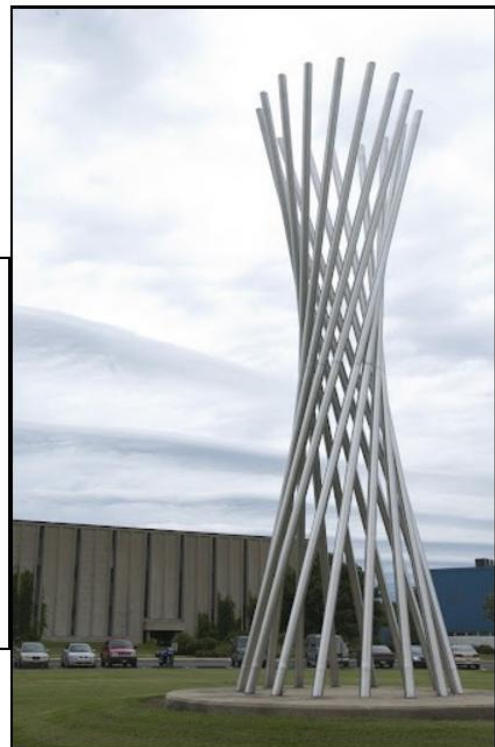

Of course, when parking we all headed for the trees. It was a bit warm.

Humberto Garcia drove this beauty of a Lincoln on the tour.

Sculptures on the grounds.

We left the science center and headed down the road to visit the bison.

L to R: Dan Sobczyk, Mary Ellen Thielman, Russ Rodriguez, Ferdnanda and Bibiana Garcia. This picture was taken by my fearless camera guy, who managed to stay across the street and behind the line of cars just in case one of the bison decided to charge the fence. Good job, Chris.

←

While there are about 500,00 bison on private ranches and public herds like this one, there are only about 15,000 to 25,000 pure bison. Most others have a low level cattle gene.

←

Dan is inspecting the scorch mark on a nesting doll while one of the owners of the shop explains that the dolls are not interchangeable. Only the original pieces will fit together, so these marks are used to help distinguish which pieces go together.

Model Show

Humberto shows off his prize collection of models.

Mary Ellen and Russ Rodriguez showing off this gem.

Reuben Taylor, his models and his Lockwasher, award presented to him by Jim Sikora.. What is a Lockwasher Award? Ask Jim next time you see him.

Dan Sobczyk shows off one of his favorites.

Jim Sikora and his collections

Despite his car troubles, Andy Ibata made it all the way to the end of the tour and showed off his models at the restaurant.

Bob Markert, with tongue firmly in his cheek, brought this model planter of a Chevy Truck and carved wooden model of a VW.

Russ Rodriguez and Chris Schurrer

Reuben Taylor tries to talk the Garcia girls into voting for his models. Chicago politics as usual.

L to R: Andy Ibata, Fernanda Garcia, Chris Schurrer, Bob Markert, Jim Sikora, Reuben Taylor, Bibiana Garcia and Humberto Garcia enjoy food and fun. The star of the show was, of course, the pizza. Thanks to Paisano's in Lisle for having us.

RICH HARVEST FARM TOUR

Circle the date of July 7 on your calendar. That is the date of the Great Lakes Region of the Vintage Chevrolet Club of America (VCCA) will tour to the Rich Harvest Farm's car collection. You will see about two hundred cars or more and I am sure you will be pleased.

Rich Harvest Farms is in Sugar Grove, Illinois. It is a private golf course and contains a private automobile collection/museum. The auto museum has over two hundred exceedingly rare vehicles in their collection and is not open to the public.

VCCA has reserved a large block of spaces and paid the major portion of the entrance fee since you can only enter as a large group. We are extending an invitation to friends of members, which includes the Illinois Region of the AACA. It will cost each participant \$10 to enjoy this opportunity.

We will need to have the names of all participants in your car by June 29th. You can pay Jim Sikora by cash or check made out to VCCA-GLR on arrival at the property.

We will meet before 9:00 am at Rich Harvest Farms. You will check in at the gate. Your names will be on the guest list. We will have a snack at about 9 o'clock or thereafter and then you can tour on your own at your leisure.

I will need the names of each participant **by June 29, 2024**, because the gate attendant will ask your name prior to entering the grounds. If your name is not on the list they WILL NOT allow entry.

There are a number of restaurants nearby in the Sugar Grove or Hinckley area that you can go to following the tour for lunch. We will try to have a list available for you.

If you have any questions, please direct them to me at 708-691-9854 or email me a note and I will try to find an answer.

Thanks,

Jim Sikora jamessikora@att.net.

It Is Almost Show Time!

Fellow antique car enthusiasts of the Illinois Region, it is almost SHOW TIME! By the time you read this it will be less than two weeks until our 73rd. annual region car show. It is amazing how fast a year goes by. Just a year ago we had no home for our show. Now, with a little luck we will be calling Carpenter's Park home. It is a good feeling to be welcomed to a place where we have never been before, but that is what happened.

One year ago we had no home! The word went out to the membership asking for their help to find a new location. For the next 'few' months Bob Markert and myself, driving in my trusty Dodge Caravan checked every venue suggested by our members and friends. Carpenter's Park was chosen. The food and beverage vendors are in place, we have a DJ for music. The judge's seminar has been scheduled. Trophies and dash plaques will be ordered this week, and 'loose ends' will be tied up. Flyers have been printed, and I mean lots of them! Members are at car shows, cruise nights, businesses and anyplace where we might get noticed. We have spots in Hemmings, Old Cars Weekly and Illinois Auto & RV advertising our show and new location. Even car clubs and past car show entrants have been sent e-mails regarding the date and new location.

We have done the best we can do. It is now up to you, the members of the Illinois Region, to support all these efforts, because WITHOUT YOU the show will not continue to go on successfully!

Thanks,

Jim Sikora

JOIN US FOR THE TOUR TO THE ILLINOIS RAILWAY MUSEUM VINTAGE TRANSPORTATION EXTRAVAGANZA

When?: Sunday, August 4, 2024.

**Where?: IHOP. 6606 W. Northwest Hwy., Crystal Lake, ILL

2024 Waukegan/North Shore AACA Summer Picnic and Tour Sunday August 18th

You are cordially invited to participate in the 2024 AACA Waukegan / North Shore Summer Picnic and Tour.

Our tour will start at the McDonalds, 1804 E. Belvidere Rd, Grayslake, IL (IL 120/US 45)
It will cover 52 leisurely miles of back roads in Northern Illinois and Southern Wisconsin ending at the Lake County Hastings Lake Forest Preserve Shelter A.
Drivers Meeting at 10:30 AM.

The Picnic includes Burgers, Brats, Dogs, Cole Slaw, Potato Salad, Chips and Beverages.
You are welcome to bring a dish to pass. Last names beginning in A-M bring side dishes.
Last names beginning in N-Z deserts.
The Forest Preserve allows alcohol in the pavilion so BYO if you're interested.

The 2024 Picnic / Tour cost is \$10 per car.
Make your check out to Waukegan/North Shore AACA .
Please post your check along with the number of people attending by August 3rd so we have time to shop.

Number of Cars _____ x \$10 = _____

Total Number of people attending: _____

Send your payment to: Bill & Joanna Vroman
27753 W. Bayview Dr.
Ingleside, IL 60041

SAVE THE DATE FOR THE FALL TOUR TO THE OLD CAR FESTIVAL AT GREENFIELD VILLAGE

Join us on September 4 – 8, 2024 as we travel to see the country's oldest continually operated car show, since 1951. More than 600 vehicles and 250 bicycles, nothing newer than 1932, will be in attendance. In addition, we will be touring Henry Ford's Greenfield Village, the Henry Ford Museum, and more on our trip. This is a journey and a show that a car person should experience at least once in their lives and this is the year of opportunity for The Region.

Please note this year's tour is in September, and it will start on the morning of Thursday, September 5th in Michigan. One will likely want to travel up on the 4th.

The hotel is set and rooms are available for booking, Please Book By August 10th to lock in these rates. The hotel will have a shuttle to Greenfield Village.

Ask for the Illinois Region AACA Group Rate

Best Western Greenfield Inn. 3000 Enterprise Dr., Allen Park, MICH 48101

313-271-1600 1 King : \$117 / Night + Tax; 2 Queens \$127 / Night + Tax
