Dear Waukegan/North Shore members:

Our chapter will be holding a special meeting on June 14, 2024, 7:30 pm at our regular meeting site, the State Bank of the Lakes in Grayslake. The purpose of this meeting is to vote on a proposed change to our by-laws. This change is about persons who shall not be charged for attending chapter events. In the past, spouses and guests of both club officers and event chairpersons have not been charged to attend events. The proposed change would eliminate that privilege. Please see the wording for this proposed change below, and please attend the meeting so we may take a binding vote on this change.

"All officers of the Waukegan-North Shore Chapter shall not be charged for Waukegan-North Shore Chapter events during their tenure. Event chair(s) shall not be charged for the event hosted."

In addition to dealing with the proposed change in the by-laws, we will be getting an update on tours, and Dan Helgren will offer two video programs. One is about the Old Car Festival in Dearborn, Michigan (a preview of the Region Fall Tour), and the other is about the Newport, Indiana Hill Climb for pre-war cars, trucks, and motorcycles. There will be refreshments available as well.

Chris Schurrer advises that the tour planned for Morton Grove will not be happening in June. He is working on a backup option.

Your Secretary,
Jim Greenlee
