THE PRESIDENT'S MESSAGE

Dear Members,

Please take the time to read this message as it involves the entire club.

The idea of hosting an AACA National meet or Grand National meet has been proposed and I need your input regarding this matter.

It has been a number of years since our region has hosted an AACA meet. A number of current members were not members of the club when it occurred.

They are normally three-day events. Arrival on Thursday, hosting on Friday with the show on Saturday.

I need your input with regard to this matter. Should we host a meet and if so would you be willing to donate your time and effort to insure a successful meet.

The matter is currently under discussion and I feel we need your input before we proceed with this matter.

A meet would bring a level of prestige to the region and attract new members which we need if we are to keep growing. It would be held in 2026 or 2027.

Please think about this matter and please provide me with your thoughts regarding this matter.

You can email me at dansobczyk@yahoo.com or text me at 847-977-0595 or call me at the number.

It really is important that you provide your opinion.

Thank you in advance for your cooperation.

Until next month,

Dan

IDEAS FOR FALL. . .

By Bob Markert

I have had a couple of ideas for fall.

First thoughts have to go to Halloween. After all, after Christmas, it has become the next holiday that people spend time and money on.

So, how about this? Send in a picture of your car dressed for this popular holiday. Your car doesn't have a Halloween costume? Surely you joke. Dress up your car and snap a picture. This has to be fun. I am looking forward to some creative costumes.

Second thoughts: Cooking wise, is there anything to do with pumpkin beside making a pie? Every year, all I see is pumpkin pie.

Sooooooooooooo send Laura a recipe using pumpkin that is NOT A PIE!

Is that possible? I am challenging you, fellow members to find something new.

Send to Laura at aaca.sidelights@gmail.com

CLEANING OUT THE ARCHIVES

We have had a number of members ask about getting a particular dash plaque to finish out their collection. Lucky you. Chris Schurrer has scoured the basement of the Region Archives and has come up with some treasures. We are selling them for \$2 each (which is about what we paid).

If you are interested contact me, Pat Markert at 630-852-9893 or email me at aacapat@aol.com. Currently we are offering. . .

1973

This is a really old one. I only have a few and not all of them are in perfect condition. Still this is an oldie and a goodie.

AACA Region Chapter Event:

Explore the Near North Suburbs

Written by: Anna Nelson

Waukegan/North Shore Chapter put on a tour "Explore the Near North Suburbs," coordinated by Chris Schurrer. Ron and Mary Wisniewski tested the route so it was ready for September 6, 2025. We started by meeting at Sugar Bowl restaurant, located in Des Plaines for a hardy breakfast served with cheerful conversations. Chris held the tour route meeting and off to our cars to start the adventure.

Small version of the statue of Liberty in front of a multi dwelling. - Quaint homes on the drive.

We drove through Morton Grove, looking at the quaint homes, on our way to visit the Morton Grove Historical Society. Haupt-Yehl house was built in 1888 when the area was still farmland outside the Chicago area. Saving this wonderful home, required it be moved off its foundation to three different areas and now is located on the Park District's property, run by the Morton Grove Historical Society. The inside is furnished in original appliances, furniture, and artifacts to the time era it was built.

Just a few of the many items, that brought on interesting discussion.

The basement has more historical artifacts from the time-period, to explore. You are allowed to play with a train set. Our time passed quickly and there was still so much to see. Several members are planning to return on their own. Morton Grove Historical Society wanted a group picture of us.

AACA Region Chapter Event (Explore Near North cont...)

Off to our next stop, Double Clutch Brewery located in the suburb of Evanston where the manager had reserved parking for the AACA members. This was great we could park our cars together. Several bar patrons came out to look at our cars.

We were to have a tour of their car collection and learn about the brewery operations but due to some unfortunate time it was cancelled. We still enjoyed the cars on display at the brewery, and had a good lunch. We are at a brewery surrounded by unique, antique cars, of course we will make our own fun.

AACA Region Chapter Event (Explore Near North cont...)

After our lunch, a scenic neighborhood ride back to Morton Grove, to our final stop, The Shrine of all Saints at St. Martha of Bethany Church. This is the 3rd largest reliquary repository in the world, with over 5,000 different relics representing 3,200 catholic saints. I was impressed that the 3rd largest located here, the 2nd is in Pittsburgh, Pennsylvania, both are in the USA. The largest reliquary repository is the Vatican in Rome.

We learned how the relics are classed. Then broke out into three groups with a guide giving us a tour around the shrine. The Shrine of All Saints is housed in a gym that was converted into a church. St Martha of Bethany became too small to hold all its parishioners, moved over to the gym with the relics. Masses are still held in this facility. This was a moving experience for me. There was so much to see. I could not see it all in one visit.

Hope you enjoyed this tour!

DesPlaines Valley Chapter Presents the 2025

ILLINOIS REGION A. A. C. A. FALL TOUR OCTOBER 16-19, 2025

The place to be in Mid-October is Urbana, Illinois, and we cordially invite you to join in on the fun! We can't wait to see everyone! The tour headquarters will be located at the Comfort Suites on the north side of Urbana, Illinois and we will travel within the vicinity spending notable time in both the communities of Monticello and Paxton, Illinois as well.

Activities will commence on Thursday with a group caravan departing at 10:00 A.M. from the Jewel-Osco in Woodstock, Illinois (145 S. Eastwood Dr.), and will travel down ILL Rt. 47 with pickup points at Jewel-Osco in Elburn, ILL at 10:45 A.M. (800 N. Main St.), Menard's in Yorkville, ILL at 11:15 A.M. (1800 Marketview Dr.) with a final pickup point and a stop for lunch at Sherwood Oaks in Morris, ILL at 12:00 Noon (1571 N. Division St.), voted the best family restaurant in Greater Grundy County. From there we will travel through Dwight (touching a bit of U. S. Rt. 66), Gibson City, and Rantoul before stopping at the Champaign County Historical Museum at the historic Cattle Bank. Registration will be open at 6 P.M. in the hospitality room.

Friday sets off at 8:30 A.M. on an 100-mile tour through the beautiful countryside. First thought, a stone's throw away will be a visit to the Alan Strong collection to see some absolutely exquisite vehicles through many of the earlier eras of automobiles. From there we will travel to the Museum of the Grand Prairie, a museum about the pioneers to the area, complete with a travel through a covered bridge. From there it's on to the Monticello Railway Museum, who are opening especially for us so we can see all their locomotives and rolling stock. From there it's to the artsy downtown of Monticello to explore the shops and restaurants. Our visit to Allerton Park will be the cap of the evening, with its expansive grounds; forty-room house; and famous outdoor statuary. We will get a historical overview of the grounds, and then participants can explore the vast space at their leisure. Additionally, they will be hosting their Weekend Wind-Down event, which we have been invited to. Enjoy visiting the mansion where beverages can be had to refresh, with a folk / rock & roll duo performing on the grounds, and even lawn games, weather permitting. The hospitality room will be open at the hotel as well.

Saturday sets off at 8:30 A.M. as well, but on a 70-mile jaunt northward to Paxton to first view the large Royce Baier car collection. In the first building, with a nice old downtown décor at the same time, milliner Pat Milchuck will display and demonstrate some of the styles of her creations which are known around the world, immediately after the exploration of vintage automobiles, we will be able to tour the absolutely beautiful Queen Anne style 1891 Middlecoff Mansion. Afterward we will explore downtown Paxton for lunch. Then it's a short walk to the historic Ford County Sheriff's Home and Jail where we will have a tour of this home. Afterward, it's time to truly explore the revived downtown Paxton is so proud of. There are many interesting shops, so make sure to check them all out. But wait, there's more! At 3:00 P.M., the Silver Tree Distillery, located in a former car dealership owned by members of a multi-generational farming family in the area will open especially for us.

The feeling of being one of the locals will culminate with our wonderful and unique banquet. We will travel to the Mount Vernon Methodist Church in rural Champaign (the second-oldest church building in the county) for a down-home barbecue dinner from award winning Hickory River Smokehouse. After dinner, head upstairs to the church sanctuary to view the interior of the church, and for our banquet presentation of Hensley Township (which the church is located), and the church itself. What a finale to this year's tour!

But wait, there's more! Sunday we will depart at the leisurely 9:00 A.M. and depart the area heading for home, with a stop at the Lynn Frantz collection in Cullom, ILL where one can explore a long-standing large collection of all things vintage automobile and vintage tractor. From there it's a hop, skip, and a jump to either I – 55 or I – 57 and off toward home.

The headquarters, Comfort Suites, 2001 N. Lincoln Avenue, Urbana, ILL 61801, is located at the intersection of I – 74 and Lincoln Avenue, between I – 57 and U. S. Rt. 45. There is ample grass parking for trailers on property or asphalt parking for trailers can be arranged behind the hotel to the north of the headquarters.

And if one is still looking for more, there are additional optional activities which will be mentioned at a later time to help fill the day even more, if that is even possible.

With all the above and more, this won't be a tour to miss. So, make sure to fill out the next page and register today! We can't wait to see you there. We have taken the original DesPlaines Valley Fall Tour, and are revisiting the tour as much as possible, while making it our own for today as well, presenting the best of both worlds!

We can't wait to C – U in Champaign – Urbana, so come on down and let's party like its 1995!

For any questions, please contact Christopher Schurrer at (815) 382 – 0238.

THERE'S MORE IN MONTICELLO

Paxton isn't our only happening town on the tour. Our other day will have us bound for Monticello. We are first met with the sprawling Monticello Railway Museum to explore over 100 pieces of railroad equipment in the steam & diesel eras. From there it's down State Street, that great street of stately homes to downtown.

Once in downtown it's time to once again explore the different restaurants and shops. Just a few moments and it's clear, Monticello has an artistic flair to it, with many unique places to experience. Prairie Fire Glass Shop, which makes all sorts of items, from pendants to ornaments to vases and more, will be doing glass blowing demonstrations (weather permitting) during our visit in town. It is a must see during our visit! Just a stroll away is also Out of the Blue Polish Pottery & Gifts, a destination for Bakeware, Bowls, Plates, and more all decorated with the traditional Polish style of pottery artwork; throughout Central Illinois & Indiana.

But it's not just art that can be found in Monticello, also in the Courthouse Square one will find Hartfield Book Company, an independent bookstore that boasts a wide selection for all ages and interests. They also have gifts for your favorite bookworm, even if that is yourself. And of course, another lovely ice cream parlor can be found. It's the dueling Ice Cream Parlors between Paxton and Monticello, and you are the judge!

ALL THIS, ONLY ON THE FALL TOUR! OCT. 16 – 19, 2025

EVERYTHING HAPPENS IN PAXTON

One step into Downtown Paxton and it will be clear; this isn't a sleepy town. With its country downtown charm, downtown Paxton boasts a variety of shops from end to end of the several block district. Of course, the first visit in town will be for the wonderful Royce Baier Automobile Collection. This collection is the culmination of over 70 years of collecting, showcased along an old town storefront façade. It's not just cars, within the same building is Simply Pat's Hats & Things. Pat Milchuck creates her hats right here in Paxton since the 1980's and has customers throughout the world. Each item is custom made, and one of a kind. Pat will be on site ready to showcase her masterpieces of cloth. And that's still not all! Inside the building is an ice cream parlor. Any time is a good time for ice cream!

And that was on the edge! Just a quick drive is downtown proper. A stroll down Market Street will have everyone find something they fancy. Gift stores like the Paxton Mercantile full of fun gifts, with many being made locally, Ruby Jewel Antiques for all those treasurers from times gone by, and Hudson's Drugstore. That quintessential drug store of old, with a large collection of Hallmark products. They are celebrating their 75th Anniversary this year.

AND THIS IS JUST THE BEGINNING OF WHAT PAXTON HAS TO OFFER!

COME SEE THESE AND MORE ON THE FALL TOUR. OCTOBER 16 – 19, 2025.

RESERVE YOUR ROOM – COMFORT SUITES – URBANA, ILL – (217) 328 – 3500.

EXPLORE & RELAX AT ALLERTON PARK

To cap our Friday, we will visit the vast 1,500 acre Allerton Park, the former home of Robert Allerton, the son of a founder of the Chicago Union Stockyards and First National Bank of Chicago. Robert envisioned the property becoming a gentleman's estate on the land formerly used for farming and grazing pastures. The mansion was bought in 1900 inspired by the Ham House, home of the Earl of Dysart near London, England. It was at this time that Robert began collecting ideas and sculptures from abroad until 1946 when Robert donated the property to the University of Illinois. Apart from the mansion, whose 1st floor can be visited, the grounds are home to over 100 sculptures and ornaments with 14 formal gardens on its sprawling 1,500 acres. Nature lovers will find 31 tree, over 1,000 flowering plant, and 154 different bird and mammal species making their home here. A not to miss sight is the 1,600 lb. Sun Singer statue by Carl Milles rising 30 feet from the ground. The view is at any time fantastic, but if timed right for sunset, which we will have the opportunity to witness. The sun seeming to be held in the statues outstretched hands is purely awe inspiring.

But even while the sun sets, there are many things to do at Allerton Park. We have been invited by the park to join them in their Weekend Wind Down. Starting at 5p sit back, take a sip, and relax in the mansion's solarium overlooking the Koï Pond, where yard games can be played if weather permits. At 7p rock, country, and folk music duo Doty & Dexter will perform until 9p. **SOMETHING FOR EVERYONE ON THE FALL TOUR! OCT. 16 – 19, 2025 – DON'T DELAY TO REGISTER!**

THE WHEELS OF TIME

Of course, not everything is in Paxton and Monticello. This exquisite car collection is in our host city. Check out the all the cars Alan Strong has acquired over the year, from the automobile's earliest days, all done to the 9's. You won't want to miss this!

From there it is a quick drive to the Museum of the Grand Prairie that has many displays from Champaign County's pre-automobile times. From here, one can begin to see how all the puzzle pieces began to form to make Champaign County come to be what we will see throughout this trip. Behind the museum is the Mabery Gelvin Botanical Gardens, where beautiful strolls can be had. There is even a waterfall! Can't beat that!

Talking about scenery, it's not just about the stops but it's the journey getting there. Even though Central Illinois is known as the Flatlands, and we get many a wonderfully expansive country view, we have also scoured the countryside for some beautiful drives. Wooded groves that we hope will be at peak fall color, a covered bridge, and more! See it to believe it!

WE KNOW YOU'RE SALIVATING, TIME TO START RESERVATION-ING!
