Dear Waukegan/North Shore members,

We hope this edition finds you enjoying the warm weather and the various car events that are taking place this summer. Attached with this mailing are flyers for several upcoming events: the Galloway Senior Living car show on July 19; the Illinois Region car show on July 20; the Summer & Steel Tour on July 26; the Vintage Transportation Extravaganza and related tour on August 3; the Grand Dominion car show (Cruisin' with the Classics) on August 3; the Sycamore Steam show on August 9; and our chapter's annual picnic and tour on August 17. Some of these tours and shows are free to participants. So by all means, get your cars to these events and show them off!!

The Gateway Classics Caffeine and Chrome event, which is described in the Summer & Steel flyer, and in a flyer of its own which was sent to you several weeks ago, offers us the opportunity to earn money for our chapter. If you will be participating in the car show or tour for that event, please contact Jerry Bodden at home phone 815-862-0002 or cell phone 336-508-4783 to advise of your intent.

We would like to reiterate that for those who wish to be judges at the Illinois Region car show, there is a judging clinic on Thursday, July 17 at 7 pm. It is in Frank Troost's garage which is at 4242 Warren in Hillside, IL. Frank's cell phone number is 708-774-7932 in case you need directions. Pat Markert asks that you send her an email confirming that you will be a judge at this show, and if you will be coming to the judging clinic. Her email address is crochetisg8@gmail.com.

The weatherman has not been kind to Libertyville's *Car Fun on 21* car show. It has been cancelled twice so far, due to rain or the threat of rain. Will the third time be the charm? We'll find out on July 16. If you would like to participate, bring your vehicle to downtown Libertyville between 5:00 and 6:00 p.m. on the 16th. There is no charge to participate, and car owners can enter a drawing for a gift certificate which is good at various Libertyville merchants.

Best wishes for good weather and clear sailing on the roads in July. We'll see you at the shows.

Your secretary,
Jim Greenlee
