Automobile Club  
of America

Dear Waukegan/North Shore members,

We are officially on our summer hiatus from monthly meetings! We thank Mike and Nancy Roach for hosting our May meeting at their garage. Mike gave us a step-by-step demonstration of how a steam-driven car is fired up and then took several members for a ride in that car.

Attached in this mailing is an article from Anna Nelson on the May 3<sup>rd</sup> Dust-Off Tour. Thank you, Anna, for providing a detailed and interesting account with photos. Also attached are flyers for our chapter's annual picnic and tour in August, an updated calendar of events, the May treasury report, and the Grand Dominion/Cruisin' with the Classics Car Show.

Please be aware that the tour in the north suburbs, which had been discussed at our May meeting with a June 21<sup>st</sup> date, will not take place on June 21. The date for that tour is now being planned as September 6.

We have two events in July. The first is the Illinois Region car show in Carpentersville on July 20. The next is the Gateway Classic Cars show in Caledonia, WI on July 26. Regarding the Gateway show, please see the text of the email from Jerry Bodden which is included in the cover message of this mailing of the Klaxon. Also take note that Chris Schurrer is planning a tour tentatively originating at the McDonalds in Lindenhurst to Gateway Classic Cars, and after the Gateway show the tour will continue to the AMC Homecoming in Kenosha, WI, which will feature vehicles made by American Motors from the early 1900s to the latest cars made in Kenosha.

Best wishes for a summer filled with cruises and car shows!

Your Secretary,  
Jim Greenlee
