Automobile Club  
of America

The next Waukegan/North Shore Chapter meeting for 2025 will be on  
May 9, 2025

7:30 pm

Where: Mike Roach's Garage, 17258 W. Casey Road, Libertyville, IL

Directions to Mike Roach's Garage: From the intersection of IL Route 120 and IL Route 21, go south on Route 21 to Casey Road, turn left (west) on Casey Road. Go over two hills and turn into the first driveway on your right. There are two residences on this drive. Turn left at the first house and park by the garage. The garage has a restroom and heat. **Bring a lawn chair.** If you get lost call Mike at 708-670-0843.

We would like to thank Mike Roach for agreeing to host our meeting again this month. We were last here for our meeting in May 2024. His barns look like those built in the 1880s but feature all the comforts of today like heat, running water, and a restroom. For anyone who has not been here, it is something you need to see, including his collection of pre-war cars including steam cars and Model Ts to a 1935 Ford V8 phaeton.

Dear Waukegan/North Shore members,

We got a lot done at the April meeting, much of it having to do with the schedule of events for this summer. Please note that the Dust-Off Tour has been moved to Saturday, May 3<sup>rd</sup>. You should have received the flyer for that tour via email some time ago. Following the Dust-Off will be the Illinois Region Spring Tour May 16—18, and the Silver Springs Car Show and Swap Meet May 25<sup>th</sup>. Other events are listed in the attached April meeting minutes. Thanks to Ron and Mary Wisniewski for providing the refreshments at the April meeting.

**Please be sure to bring a portable chair for our May meeting.** It will be the last regular meeting before our summer hiatus. We will again discuss the schedule for summer events, and will be seeking members to serve on committees that will plan the May 2026 Illinois Region Spring Tour, which our chapter will host.

Your Secretary,  
Jim Greenlee
