Chapter meetings are held the second Friday of the month September through May (excepting December) at State Bank of the Lakes, 50 Commerce Dr., Grayslake, IL 60030

THE PRESIDENT'S MESSAGE

Dear Members,

I recently attended the Waukegan/North Shore St. Patrick's Day party. The party was hosted by Dan & Lizzie Helgren. What a nice party it was, the food was great and seeing the members is always the highlight of any event.

The turnout for the party was very good although parties in the past years were larger. I've noticed a decrease in attendance in a number of functions I've attended not only in our club but also in other clubs.

I've spoken to the other clubs and they agreed that attendance in the past has been larger. They weren't sure why attendance is decreasing.

The other clubs cite the age of the members as a main factor. Is there more to it than age? I know events have become more expensive but that is a factor out of our control.

This is where I need your help as members of the club. I would appreciate hearing your thoughts regarding the decrease in attendance. Is it age, cost of the events, or ?

Please feel free to email me at dansobczyk@yahoo.com with your thoughts.

At this point in time, the National meet committee is busy at work laying out plans for the event. They have some great plans and ideas for the event.

As I wrote last month, they are hard at work to ensure it is a memorable event for all the participants. Hopefully, you can find time to volunteer to ensure it is a great event.

Until next month,

Dan

ILLINOIS REGION
ANTIQUÉ AUTOMOBILE CLUB OF AMERICA

SECOND BOARD MEETING

DATE January 17 2026

Carpentersville Public Works Building

President Dan Sobczyk

Vice-President Humberto Garcia

Secretary Rose O'Halloran

Treasurer Bob Wenderski

Board Members

Bibiana Garcia.

Bob Markert

Lee Nelson

Rich Nelson

Jim Olson

Chris Schurrer

Rick Shaw

Jim Sikora

Andy Voss

Bill Vroman

Dale Woosley

Guests

Nancy Nelson. Cheryl Woosley. Owen Olson. Andy Ibata

Call to Order by President Sobczyk. Time:

Election of New Officers: President Sobczyk agrees to serve one more year. Rich Nelson nominates Humberto Garcia for Vice-President. Seconded by Andy Voss. Bill Vroman nominates O'Halloran for Secretary; second by Rich Nelson. O'Halloran nominates Bob Wenderski for Treasurer; second by Humberto Garcia. All candidates elected.

Secretary: Acceptance of previous minutes

Treasurer Report: same as first meeting

Old business: Illinois Region election recap. 132 ballots mailed out by Commissioner O'Halloran. 77 ballots returned via US Mail, plus one hand returned. One spoiled ballot. Ballots on site for inspection. Thank you to candidates, appreciation shown to members who responded for wonderful return rate. Very close results! Expense vouchers turned over to Treasurer Wenderski. Thank you to Andy Voss for printing mailing labels.

New business: Introduction of new officers. Discussion of proposed 2027 Mid-America National Meet. Secret ballot by officers and directors of region. Motion to host said event passes.

Standing Committees: Nothing to report following first meeting.

Activities: Nothing additional to report from first meeting.

Chapter Reports: No new business from first meeting.

Visitor Input: None

Motion to Adjourn. Time:

Submitted: new Secretary O'Halloran

2027 MID-AMERICA NATIONAL MEET

REVIEW

Proposed by Humberto Garcia in August 2025, the idea of an Illinois Region-hosted national show met resistance by members involved with the last region national show held in Oakbrook over ten years earlier. Although that show did earn the region money, main sticking point was lack of region member volunteerism with most of the tasks handled by too few workers.

It was suggested that our region has fewer members now, the group as a whole is older, what dynamicism we may have had has waned and we are certain to have too few volunteers, again.

Proponents countered that with an aging membership we need new activities to drive increased membership, that a national show would highlight the region in a favorable light within the larger AACA community, that it may increase our coffers.

Humberto entreated the National AACA board with a tentative proposal for an event to be held in a suburb northwest of Chicago. Response was immediate and positive.

It was discussed at our Illinois board meetings starting in September 2025, put before the board for a vote at our second January 17 2026 meeting in Carpentersville and passed. The decision was not unanimous.

Initial goal was a meet to be held in August 2027, from Wednesday the 11th with a show and awards banquet on Saturday the 14th. These dates were chosen as to not interfere with the Geneva Concours.

The National AACA board accepted our offer but with a change of dates starting Wednesday, August 25 2027 with show and awards Saturday August 28. These dates also do not interfere with the Geneva Concours.

Humberto scoped a number of hotels; the committee has been in contact with one in particular. We have visited this location several times, it is adequate for our needs. Negotiations have been forwarded to the National advisors, until a contract is signed the hotel will remain unnamed.

Committee posts have been assigned, and there will be a plea for assistance. I was asked to take on registration. A requirement from the National Meet guidelines insists the meet registrar attend a registration seminar at the AACA national business meeting. This I did this past month (February 4th through the 8th) in Chantilly Virginia.

We will try to maintain transparency going forward with this exciting project. Thank you.

AACA Membership News:

Please make a note in your 2026 AACA Illinois Region Roster that the phone number for Henry & Kay Hahn is incorrect. Their corrected home phone number is 847-223-0910.

In Memoriam of Charles Kuhn

It is with sadness to inform you that Region member Charles Kuhn passed away in October of 2024.

Our condolences go out to his wife Susan and the Kuhn family.

Region News:

Car Show 2026!

After a bumpy few weeks, we have the green light and are ready to proceed with plans for this year's car show. You may be wondering what I might be referring to. Behind the scenes we had some extra paperwork that needed to be completed for national in order to get our certificate of insurance. All members of our region board immediately stepped into action and worked diligently to complete the paperwork needed at record speed. As a result, our certificate of insurance was issued on March 14th, and we have already received confirmation from our contact in Carpentersville that it has been received and all our paperwork is complete for the show. We were approved by the Village of Carpentersville at their board meeting this month with the help of Humberto Garcia, so we are ready to continue with recruitment of volunteers and registration of cars.

If anyone in the Carpentersville area knows of businesses or individuals in the area that may be interested in contributing to the event, please forward their contact information to me.

Thank you,

Jim Sikora, Show Manager

jamessikora@att.net / (708)691-9854

AACA Chapter Region Events:

Fox Valley Model Car Show & Pizza Party

by Humberto Garcia

On Saturday, March 14th the Fox Valley Chapter celebrated its 4th Annual Model Car Show and Pizza Party. The event was held at the delicious Lou Manatis Pizza Restaurant in Lakewood, IL.

It was very well attended event. We had a large variety of model cars exhibited in scales ranging from 1/12 to 1/16. The proud owners displayed their models on a large variety of materials from plastic, metal and wood. The winners were Bob Markert, Craig Zaplatynsky, Dale Woosley and Jim Sikora.

An ala carte menu was served; soft drinks and adult beverages were on hand to all the exhibitors and their companions.

St Partick's Day Party, Where Shenanigans Run Wild!!!

Written by: Anna Nelson

Waukegan/North Shore Chapter celebrated St. Patrick's Day at Hackney's in Glenview on March 22, 2026. We had a smaller group this year, but lots of fun. Our members enjoyed the ability to socialize with good conversations and laughter. I enjoyed listening and exchanging our current adventures. Many attendees wore their Irish attire to express their festiveness of the event.

AACA Region Chapter Events: (WNS St. Patrick's Day Party cont...)

Dan & Lizzie Helgren did an excellent job setting up this event. We had several food choices, that pleased everyone. All the choices were delicious, the food at this place has not failed us yet! Richard Nelson thanked everyone for attending the event and mentioned upcoming Waukegan/North Shore Events.

Covered Bridge Builders

by Jenny Risley

Indiana has had many Covered Bridge builders during the mid-to-late 1800's into the early 1900's. In this article we will look at two very prolific ones for Parke, Putnam and nearby counties.

Joseph J. Daniels also referred to as J.J. Daniels 1826-1916

J.J. Daniels was born 1826 in Ohio, son of Stephan a well known bridge builder who favored the Long Truss covered bridge design. Many of Stephan's bridges were for the railroad built in Southern Ohio in the 1830's and 1840's. Son J.J. helped his father in the 1840's and at 24 yrs built his first bridge in eastern Indiana. In 1850 he went to the western side of the state to build his first bridge in Parke County, the beginning of 20 here and more in the surrounding counties.

Daniels favored the Burr Arch Truss design. He was always experimenting with ideas, like using metal brace holders which required less carpentry work. His arches were perfect symmetrical curves and their height was determined by the length of the span. Using iron plates between the lower end of the wood arch and the abutment masonry helped to prevent moisture from being absorbed thus increasing the life of the bridge. For at least 2 bridges Daniels used a double arch for added strength as seen in the Jackson bridge on the next page.

The last bridge built by Daniels was in 1904 at age 78. He died 12 years later in 1916 at age 90. In total Daniels built at least 53, maybe 60 bridges in his long bridge building career of 54 years.

Note the 2 arches with each one on it's own pier, see next picture. Because of the angle that the picture was taken the interior looks a little distorted. I do remember that the floor was a bit "wavy". You may be able to see in the long shot that the roof line takes a dip in the center and at the far end. This particular bridge is really showing it's age.

West Union Covered Bridge over Sugar Creek, Parke County, IN
 Built 1876 by Joseph J. Daniels Burr Arch truss, 315 feet, 2 span

Jackson Covered Bridge over Sugar Creek,
 Parke County, IN
 Built 1861 by Joseph J. Daniels
 Double Burr Arch truss, 228 feet, 1 span

Notice the double arch, one above the other not necessarily connected to each other but they are bolted to the braces.

Joseph A. Britton also referred to as J.A. Britton 1839-1929

J.A. Britton was actually born near Rockville, Indiana in 1839. He learned the trade of carpentry from his father. After serving and being a prisoner in the Civil War Joseph returned to Indiana where he studied Law. Being a lawyer didn't appeal to him and he again took up carpentry, initially building houses then in 1879 began constructing bridges. With eight sons there were several of them who also became involved with J.A. in bridge building.

In general Britton built short, one span bridges. He too favored the Burr Arch Truss design, even using them in short span bridges which typically do not need an arch for extra support and stability. Metal tension rods were used too. Britton structures had a flat top opening with outer edges sharply angled to meet the side panels.

After J.J. Daniels retired in 1904 Britton was engaged to build most of the bridges in Parke County between 1904 and 1917. Throughout his 33 year bridge building career Britton built about 40 bridges in Parke, Putnam and Vermillion Counties.

Phillips Covered Bridge over Big Pond Creek, Parke County, IN
Built 1909 by Joseph A. Britton
Multi Kingpost truss, 60 feet, 1 span

Take note of the front of the bridge above - flat top opening with outer edges sharply angled to meet side panels. A well known feature for Britton bridges.

Here we see the Multi Kingpost truss without an arch. This bridge is only 60 feet, not needing any "additional" arch support for stability.

Waukegan-North Shore Trivia Night

April 10, 2026

7:30pm-9:30pm

Join us for our monthly meeting,
Followed by Trivia.

YOU CAN BE HERE!

JOIN US MAY 28 – 31, 2026 AS WE VISIT THE BRIDGES OF PARKE COUNTY

The Waukegan – North Shore Chapter cordially invites you to the 2026 ILL Region Spring Tour. This year we set our sites in Crawfordsville, Indiana and the Turkey Run State Park / Parke County area. The area features wonderful stretches of quiet driving with picturesque scenery, both natural, and man made with a large number of covered bridges in the area.

Our host hotel will greet you each night after our travels into the area. It is the **Comfort Inn**, located at 2991 Gandhi Dr., Crawfordsville, IND 47933. The rate for our group stay is \$118.00 / night plus taxes and fees. Rooms are available now, so feel free to **call in at (765) 361 – 0665**, and booking under the “Vintage Car Tour” group (group code Z009T6), or use the following link : <https://www.choicehotels.com/reservations/groups/Z009T6> . The prices are locked in until April 28, 2026; but please book early to ensure you have your room set.

Come on down to Turkey Run and relax where time moves leisurely! We will see you there!

Spring Tour Workshop - Create Your Own Tour Clipboard

Hi Ladies of the Illinois Region,

I have an idea for a project that we could work on while on the Spring Tour in Indiana this year. When "navigating" for Tom on tours I always liked to use a clipboard for holding the tour sheets. About 7 years ago I decided to create a dedicated one for touring by using my car and travel rubber stamps on a clipboard. The light brown colored boards gave me the perfect canvas to do that. Special ink was used that is permanent, dries quickly and works well on smooth surfaces. I decided to have space between the cars and signage so that I could write the tour, date and car of when I used the clipboard, giving me a visual memory of the fun of touring with the old cars. You would be free to do whatever you want - fill in all of the space or just have a few stamps.

The plan is that for Thursday and Friday evening to set up stamping stations in the hospitality room where you can create you own Touring Clipboard. I have clipboards, many rubber/clear stamps and the special inks. If you have your own car, travel or other stamps that you would want to use please bring them. It will be on a first come first served basis if more that 12 ladies sign up. Please indicate on the Spring Tour Registration form if you would want to partake in the workshop. There will be a small fee to cover the cost of the clipboard and ink which can be paid at the workshop.

Come join in the fun,

Jenny Risley
