THE PRESIDENT'S MESSAGE

Dear Members,

Last week a number of the Illinois Region members went to the AACA National meet in Green Bay, WI. The meet had about 100 cars to be judged. A number of the cars were spectacular. It is always fun to judge the cars. You get an up-close view of the cars. I encourage all of our members to consider being judges. This doesn't ignore the ladies, they are more than welcome to sign up for the administrative duties associated with the judging. Volunteering to help really makes attending the AACA meets much more enjoyable.

The reason for attending the meet was twofold. Being our region will be hosting a National Meet next August, some of the members wanted to receive pointers from the Wisconsin Chapter on the process of hosting a National Meet.

The second reason was for members to have their cars judged. The judging results for our group were great. Jerry Bodden entered his beautiful 1941 Buick and won a REPEAT PRESERVATION Award. Humberto Garcia entered two of his Lincoln Continentals, both stunning cars, and walked away with a FIRST JUNIOR and a FIRST SENIOR Award.

In closing, we have the National meet coming this next August and the committee has been busy with planning the event. If you can find the time, the group would love to have your help. You can contact Humberto Garcia to volunteer.

Lastly, we will be in need of a Treasurer for the region this next year. If you have any EXCEL experience, Bob Wenderski, our current treasurer, will happily work with you so the transition will be seamless.

Please let Bob or myself know if you care to volunteer for this position.

Until next Month,

Dan

Region News:

Car Show Thoughts by the Car Show Manager

I would like to thank all the members of the Illinois Region for taking time out of their busy summer schedules to set up and run the 75th Illinois Region Car Show. Without your valuable help, car shows like this would fade into vague memories. This year we were blessed with better weather than in the past few years or even the last few weeks or days leading to the show. This year we had fifty-three cars participate in the show. Although the number of entries was lower than expected, we did have more cars than the number that attended last year.

We had an amazing cross section, this year, of vehicles spanning the decades. Our oldest automobile was a beautifully restored 1919 Ford Speedster. Wonderful examples of every decade were available for viewing leading up to our most recent automobile from 2017 which was a Dodge Challenger. We were lucky enough to have ample representation from every decade to show the public what automobiles were available during the various time periods.

Thanks go out to the Village of Carpentersville for their hospitality with the use of Carpenters Park, the Lions Club for food service and Bill and Joanna Vroman for production and sales of the model car promotion.

Additional Follow-up articles and photos are welcomed for submission by other members.

The Central Spring Nationals was held July 22-26, 2026 in Green Bay Wisconsin. The show field had a turnout of about 100 vehicles. The weather shifted and the rain missed the event. Many attendees were from the mid-west area. A good portion were from Illinois. I was surprised to find several that were not aware of the Illinois Region.

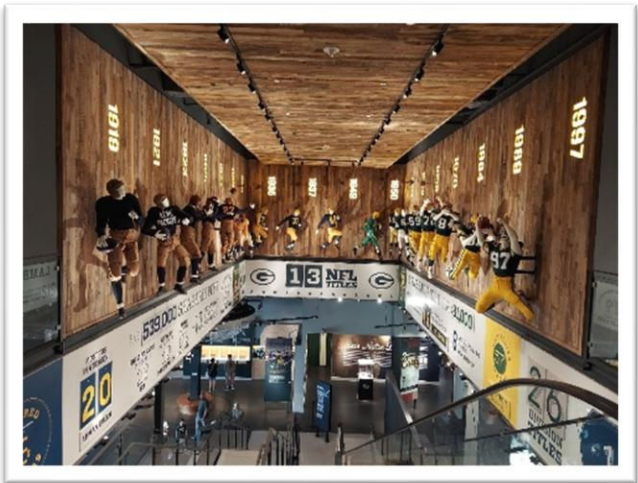

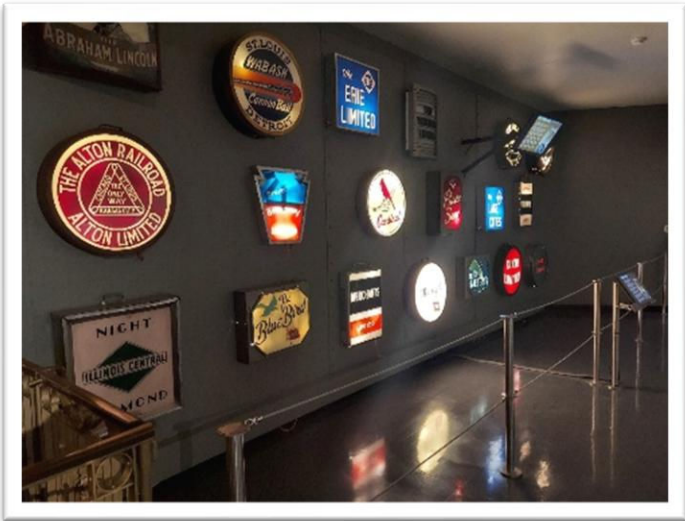

Award banquet July 25, 2026 award recipients from the Illinois Region, are Jerry Bodden, James Sikora, Brady Huinker, Partick Martin, Humberto Garcia, John Looby III, Michael Weber and Edward Weber.

A NOTE REGARDING PARKING FIELDS FOR CAR CLUBS

- Long established car clubs (AACA, CAATS, Corvair, Buick Club of America, Model T&A, Studebaker Drivers Club, and VCCA) that have shown consistent, high participation in this event have been assigned specific fields for parking. On the Registration Form, if you are a current member of one of these clubs, check that box and this is where you will be parked.
- If your CLUB is NOT LISTED on the Registration Form, or you are not a member, you are parked in the appropriate Auto Manufacturer Field (GM, Ford, Imports, etc.).

What we can do to help:

- If you have a group and want to park near one another, we suggest coordinating with your fellow members to meet up before you arrive at the IRM. Maybe a breakfast place, truck stop, or empty parking lot nearby to use as your staging area. When your caravan arrives to IRM entry gate at the same time, we will make every effort to park your group together.
