JUMP INTO JACKSON

The Illinois Region is heading to Jackson Michigan for the Fall Tour. This is new territory for the Illinois Region to explore. We have only had 2 trips into Michigan in our history and those were both on the western edge of the state. However, it is still only about 225 miles.

We are staying at the Comfort Inn in Jackson. However the hotel is currently fully booked. Here are some nearby locations: Fairfield Inn 517-784-7877 (about \$130)/ Hampton Inn 517-788-5151 (about \$150)/ Super 8 517-788-8780 (about \$60).

One of our stops will be the Southern Michigan Railroad which departs from downtown Tecumseh

and runs through the beautiful Raisin River Valley. The 2 hour trip will cross a magnificent bridge providing a priceless view of the valley. There will be a stop for complimentary cider and donuts at the museum.

Interior of railroad car.

Another stop on our tour will be the Michigan International Speedway which hosts some of America's best racing action. It has an 18° bank

and 73 foot wide sweeping turns and is the

Upcoming EVENTS

OCTOBER 15 - 18 REGION Fall Tour to Jackson Michigan /Hotel reservations should be made by September 15. Comfort Inn (517) 768-0088 mention AACA Illinois Region car club/ group rate is \$112.49 + tax per night. For more information see pages 1 and 4

OCTOBER 24 Fox Valley Chapter Pot Luck & Auction at AMS, Inc. at 3N545 17th St, St Charles, IL, the business of Marge & Art Swanson. 4:30 pm start

NOVEMBER 14 REGION Board Meeting hosted by Momence chapter at Bourbonnais Public Library at 250 W. John Casey Road 10:30

JANUARY 16, 2016 REGION Board Meeting and Annual Members Meeting hosted by Region Board

APRIL 3, 2016 Region Swap Meet at Don McCue Chevrolet

FACE + BOOK WANTED: FACEBOOK CO-ORDINATOR

The Region would like to organize and establish a Facebook page on the Internet. The Board feels it would be a good way of communicating with non-members about some of the "open to all" activities the Region sponsors. Hopefully, we will snare some new members along the way.

So-o-o-o-o if you know anything about Facebooking and are willing to give some time to the Region, this is your chance.

You can do it from home. You can do it when it is convenient for you. Call Don Juday at 708-354-5095 and chat.

Chapter meetings are held the third Wednesday of every month at member homes.

Waukegan-North Shore President: Bob Grutza
847-295-6996 bob.grutza@yahoo.com

Chapter meetings are held the second Friday of the month September through May (excepting December) at the Gorton Community Center 400 E. Illinois Rd., Lake Forest, IL.

THE PRESIDENT'S MESSAGE

HELP WANTED!

Nominations for the four open Illinois Region Board seats are now being accepted by the Nominating Committee (Linda Dolezal, Nancy Nelson, and Pete Kramer). Each of the five Chapter Presidents has been asked to submit the name of a member of his/her Chapter to the Nominating Committee Chair, Linda Dolezal, to be included on the ballot. If the Chapter relinquishes that right, the Committee may place a name on the ballot. The Region President may also nominate a Region member who has no Chapter affiliation. Region members may submit their names to the Region President or the Nominating Committee Chair to be placed on the ballot. The Nominating Committee then prepares a ballot listing the names of the candidates and it is mailed to the Region membership no later than the first of December. They are asked to choose four candidates and return their ballots to the Nominating Committee Chair by December 31.

It's a straight forward election process with only one "catch," candidates. This is the time for members of the Region with an interest in and ideas for the Region to step forward and volunteer to have their name placed on the ballot. The term of office is three years. There are six Board meetings per year hosted by the various Chapters of the Region. There is, at times, committee responsibility, but none that is overwhelming or all time consuming. Board membership provides a platform for your ideas, an opportunity to serve the Region and a chance to broaden your base of friends.

For the last eight years I have had the pleasure of serving on the Region Board . . . as Treasurer for five years and President for three. The group of men and women that I have worked with are hardworking, talented and dedicated. Their single goal is to make the Illinois Region better . . . more practical, more inclusive and more enjoyable. Do yourself a favor! Contact me or Linda Dolezal to place your name on the ballot.

Don

FROM THE EDITOR'S DESK . .

I recently received a copy of *Sidelights* put out by the South Florida Region of the AACA. In that issue there was a story about a junkyard/ art museum in White Georgia that had over 4200 old cars dating from the 1930's to 1972.

Dean Lewis is the owner of this treasure trove. The 32 acre property was bought by his parents in the 30's where they erected a general store that also sold car parts.

Lewis stopped selling car parts some years ago when he realized he could charge people to come and walk through the yard. He charges \$15 to view and \$25 to photograph the vehicles. He gets photographers from as far away as Thailand.

For more info and more pictures go to www.oldcarmcityusa.com or www.cbsnews.com. You know what they say, "One man's junk is another man's treasure." Can't think of a better example than this.

Pat

TOUR continued

fastest track in NASCAR. When it opened in 1968, the center grandstand sat 12,000 and overlooked

the two mile oval track. Today, the track has seating for about 72,000 cheering NASCAR fans.

We will be going behind the scenes of the facility. Part of the tour will take us out on the

Aerial view of Michigan International

View from Pit Road Suites

track to experience what an 18° bank on a turn REALLY means. Then, we will leave the track and move onto the road course. We will go through the infield tunnel and stop at the media center. While in the infield we will see the Pit Road Suites and then go to the roof to get a view of the whole track.

This will be one exciting adventure for "CAR GUYS."

So come join the fun at the fall tour.

Turn #1 at Speedway.

COWBOY CONCERT A HIT

On the evening of September 12, a number of members of the WANS chapter gathered in Woodstock to attend a concert of the Riders in the Sky.

Most of the attendees gathered together at the Public House Restaurant in the old court

house. After a lovely dinner and interesting conversation, the group adjourned to the Woodstock Opera House for the concert.

The Opera House was built in 1889 to house the library, council room, justice court, fire department and second floor auditorium for the City of Woodstock. The Patti Rosa Company put on the inaugural performance of MARGERY DAW on Thursday September 4, 1890. It is a beautifully restored theater with great acoustics and wonderful sight lines.

Riders in the Sky performed for almost 2 hours with a combination of music and comedic routines. It was a fun evening.

This group, which gave its first concert in November of 1977, is the first and only exclusively Western group to join the Grand Ole Opry. They have been travelling the country for 38 years singing cowboy songs and making people laugh.

These 2 time Grammy winners are probably best known for performing "Woody's Round Up" in Toy Story 2 for which they won their first Grammy in 2001 (Best Musical Album for Children). Two years later, Riders roped their second Grammy in the same category, for "Monsters Inc. - Scream Factory Favorites."

It was a fun evening.

LETTERS TO THE EDITOR

Do you have something to say? This is the place! I will publish letters to the editor as long as they meet the following criteria: 1) no inappropriate language 2) no personal attacks 3) all entries must be signed. Write away!

Editor's Note: In the September issue of *Sidelights*, I included a Trivia Quiz question: What car was the first to have an electric starter? Answer: 1912 Cadillac. Then I heard from Richard.

Pat,

Good articles, one correction, Cadillac was not the first electric starter. Peerless "Electric lights and electric starter were standard equipment on all models for 1912. With the introduction of the electric starter Peerless was able to increase the size of their six cylinder engines." Model 37-L--5" bore--7" stroke--824.8 Cu. In."

The Cadillac starter designed by Kettering had a shunt winding that gave it the power in a smaller form to turn over the gas engines. The Peerless electric starter was almost as big as the transmission but they advertised that if the engine didn't start you could drive the car a short distance with the starter. Peerless like other manufacturers went with the Kettering design starter by 1915.

Richard H. Lichtfeld

Editor's Note: Last month I wrote about Ransom Olds. I was fascinated by a name that meant "money given for kidnapping." A friend of Mike Miner's sent me the following.

Pat,

My very good friend Mike Miner & I were visiting yesterday about regarding RE Olds & your recent article. I came up with information to share with you regarding Olds interesting first name.

Ransom is actually an old English male/ boy first name...found more prevalent in or during the Victorian Era. There were several "meanings" associated to this unusual name. In my limited research I found no immediate link to any family ancestor with the same first name...but it's always a possibility. The Olds family is of English ancestry & decent apparently on his fathers side. It was a different time I would suppose & given his father's unusual name....I guess maybe not so unusual.

Ransom Eli Olds 1864-1950. His nick-

name was "Ranny". Went by R.E. Olds as an adult. He was the youngest son in that family, born in Cleveland & later moved to Lansing. Pliny Fiske Olds the father & Sarah Whipple Olds the mother.

His list of ideas, inventions, innovations & accomplishments were many including the concept, use & development of the assembly line prior to Henry Ford. Olds Motor Works which eventually became Oldsmobile as we all know with a run of about -107- years till the marque' dropped in 2004- during the GM reorganization. They were (are) wonderful cars. My Dad was an Olds dealer.

Olds was also a Freemason belonging to Capitol Lodge # 66 located then in Lansing, Michigan. I guess with a name like Ransom....you had to be good at about everything you did. Hope this information will be helpful to you.

Mike Dooley

Hi Pat,

Liked your September column. What happened to identities like Electra, DeVille, etc.??? You call them alphabet soup . . . I say they are three-lettered roller skates. The only full sized six passenger vehicle isn't a car. What is called a full sized car now is little bigger than a 1964 Ford Falcon. A "mid-sized" car is barely larger than a Kaiser Henry J.

Back to what will carry six passengers is a 12 mpg Expedition/Tahoe. Huh? What's really interesting is that the mileage has not changed in the slightest carrying six passengers.

Your friend and fellow member,

Mike Miner

Hi Pat,

Thank you so much for including the picture of our 36 Chevrolet Master Deluxe Town Sedan at the Geneva Concours d'Elegance. We had a splendid time.

My mom Lynn Brayton, has been going through some difficult medical issues lately. She is not up to talking on the phone at this time.

Continued on page 6

Fox Valley Tales

by Don Juday

To soften the blow of the "car season" winding down and cruise nights, shows and picnics ending, the Fox Valley Chapter is looking forward to its Pot Luck and Auction. Hosted by Art and Marge Swanson at AMS, Saint Charles, the annual event begins at 4:30 p.m. with dinner being served at 5:00 p.m. Dinner will be followed by a brief business meeting to plan activities and elect officers for 2016. Members are then asked to dig deeply into their pockets to bid on an array of useful and usable items donated by the Chapter's members. Proceeds from the auction benefit both the Chapter and a worthy cause chosen by the Chapter members in attendance. Detailed information will be available closer to the day of the event.

From the kitchen of:

MARILYN OHLENDORF

Editor's Note: Found this recipe in the January–February 1984 issue of Sidelights.

Potato Casserole

- 2 1 lb. bags frozen hash brown potatoes, thawed
- 1/2 stick butter, melted
- 1 can cheddar cheese soup
- 1 can cream of chicken soup
- 1 8 oz. carton of sour cream
- Small amount of chopped onions

Mix thoroughly and put in a 9 X 11 pan sprayed with cooking spray.

Topping:

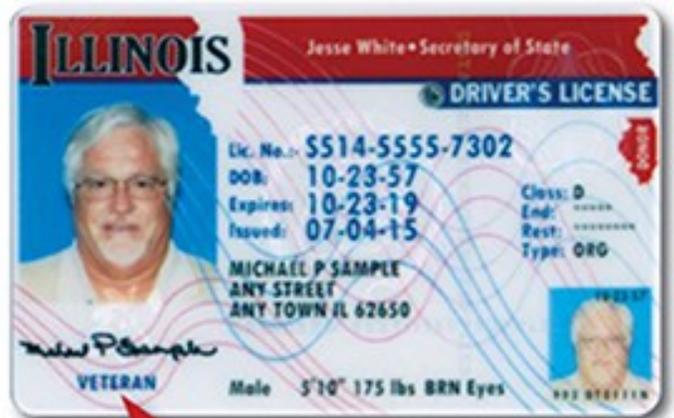

- 2 cups of crushed corn flakes
- 1/2 stick butter, melted
- Mix and sprinkle over top of casserole.

Bake 1 hour at 300° (uncovered). Serve hot.

NOTICE TO VETERANS

By Pat Markert/ information provided by Lee Nelson

Illinois now offers to veterans, a special

VETERAN

license of state ID with the "veteran" designation on it. Many stores and restaurants give discounts to veterans. This designation will make it easier for vets to take advantage of these.

Steps for US military veterans to obtain a veteran designation:

1. Visit an Illinois Department of Veterans' Affairs field office and bring a validated copy of a DD214 or Certification of Military Service (NA Form 13038) For more information or to find your nearest field office, please contact the Illinois Department of Veterans' Affairs at 800-437-9824 or visit <http://www.illinois.gov/veterans/>
2. Obtain official certification from the Illinois Department of Veterans' Affairs field office.
3. Bring certification to any Illinois Secretary of State Driver Services facility.

LETTERS TO THE EDITOR

Continued from page 5

However if anyone would like to send a get well card. It would be greatly appreciated. The address to send it to: Lynn Brayton / 835 Margret St. / Des Plaines, IL. 60016-6315

See you down the road,
John & Dawn Brayton

Our History

From Nov—Dec 1970 Sidelights

THROUGH THE WAUKEGAN WINDSHIELD

By George Belanger

In October the Wisconsin Region held the Fall Tour at Mt. Horeb, WI, attended by twelve Illinois Region members, with a total of thirty cars. The tour began in Milwaukee on a beautiful Friday afternoon, and traveled en masse to Mt. Horeb. Jim Manz blew the engine in his Lincoln Zephyr just out of Milwaukee (he won the Hard Luck Trophy), lucky guy.

Wendell Ohlendorf's 1940 La Salle on Fall tour.

On Friday night there was a Halloween party with most members dressed in costumes and lasting until the wee hours. On Saturday, one of the sunniest days of the year, we started a 115 mile tour. The coffee stop was something. No coffee! The car carrying the coffee ran out of gas. Great scenery with lots of color. At noon we had a buffet lunch, and then on to a visit to the House On The Rock. Along about this time Grant Ross's Paige started to be sick, but managed to finish the tour with a blown head gasket. Grant disconnected two cylinders and ran on the other four the rest of the way. Jerry Hughes dragged along with a burned out generator in his Mercury; otherwise no one had any trouble.

Saturday PM: cocktails, dinner and a late party (great host). Sunday AM: short tour (for some) and everyone home on his own. Thank you, Wisconsin Region!

Illinois Region Board Minutes

September 12, 2015 Host Chapter: Fox Valley
Elmhurst Public Library
125 S. Prospect Avenue
Elmhurst, IL 60126

Welcome: President Juday called the meeting to order at 10:49 a.m. He thanked the Fox Valley Chapter, the Bennings, and Dan and Darlene Sobczyk for hosting the meeting and serving breakfast before the meeting started.

Roll Call: Conducted by the Secretary. Board members present were Don Juday, Ernie Hart, Shirley Salm, Nancy Juday, Lee Nelson, Dan Sobczyk, Bob Grutza, Pat Markert, John Otto, Joe Dolezal, Bob Markert, Nancy Nelson, Darlene Sobczyk, Rick Shaw, Chris Schurrer, and Linda Dolezal. Al Matison was absent. Pat Hart was proxy for Jeanne Marcotte. There were no guests.

Secretary's Report: There were no additions or corrections to the report. Bob Grutza made a motion to accept the report. Rick Shaw seconded, motion passed.

Treasurer's Report: Nancy Juday reported that the beginning balance was \$10,809.88. Income was \$2,733.00. Expenses were \$3,231.63 leaving a balance of \$10,311.25 as of September 12, 2015. Income for the 2015 Car Show was \$3,029.00. Expenses were \$2,552.11 leaving a profit of \$476.89 for the Car Show. Bob Markert made a motion to accept the reports. Ernie Hart seconded, motion passed.

Vice President's Report: Ernie Hart reported that there will be a car show at Good Shepherd Manor in Momence on Saturday, September 19.

President's Report: Don Juday reminded the Chapter Presidents that they are to submit a name from their chapter to run for the Board to the Nominating Committee Chair by October 1. He also announced that Region members that do not belong to any Chapters may also run for the Board.

President Juday has asked the Standing Committee Chairs if they will continue in their positions for 2016. Thankfully, they all accepted. They are Linda & Joe Dolezal - Membership, Pat Markert - Publications, Dan Sobczyk - Website, Chris

Schurrer- Archivist and Lee Nelson - Legislation.

Linda Dolezal, Nancy Nelson and Pete Kramer will serve as the Nominating Committee with Linda as Chair.

Committee Reports:

Membership - Linda & Joe Dolezal reported that we have 200 memberships. There were two renewals and 4 new members. One member was dropped because their National Dues has not been paid. Membership renewal forms will be sent out in mid-October. Several members that have e-mail requested that they receive a printed copy of the *Sidelights*. Because of the added expense, we are requesting members with email to receive *Sidelights* electronically.

Publications - *The Sidelights* - Pat Markert reported that she exchanges *Sidelights* with 30 other regions/chapters by e-mail. After discussing the pros and cons of posting the current edition of *Sidelights* on our website, Pat Markert proposed that the current edition of *Sidelights* be posted on our website. Bob Grutza seconded, motion passed.

Website - Dan Sobczyk reported that the website is alive and running at illinoisregion.aaca.com. We need to deactivate the old site and he will check with National to be sure it gets off of their website. Contact Dan with information that needs to be on the site.

Archivist: Chris Schurrer reported that he has the Leonard Pal collection organized. After discussing the contents of the collection, Bob Grutza made a motion to remove and keep the "Independent Orphan Car" material from the Leonard Pal Collection for use at the Region Swap Meet. Lee Nelson seconded, motion passed.

Legislation: Lee Nelson reported veterans can have veteran information on their driver's licenses. Many businesses give discounts to veterans.

Region Activities

Fall Tour (October 15-18, 2015) Chris Schurrer reported the host hotel is the Comfort Inn in Jackson, MI. They are still working things out and are using mostly back roads. There will be a Swap Meet sponsored by a local Chapter on Sunday of the tour. The invitation/registration

material will be out soon. Guests are welcome. The Illinois Gas & Brass Region has expressed a desire to join us on the tour. Chris Schurrer made a motion to invite the Gas & Brass Region to join us on the tour. Bob Markert seconded. There was one no vote, motion passed.

Swap Meet (2016) Fox Valley : Dan Sobczyk reported the date for the Region Swap Meet will be April 3, 2016. The flyer will be online and the advertising will be out soon.

Region Car Show (July 26, 2015) Bob Markert reported that although preregistration was good, "day of" registrations were down. There were also fewer spectators. Even though registration charges were reduced, participants remained constant at 100. The "youth judges" did an excellent job again this year. They chose the same winners as our "adult judges." We need sponsors in order to make money on the show. Lee Nelson did an excellent job again with the "traveling spotlight." Lee mentioned that his job was made more interesting this year because of some of the "neat" cars in the show this year.

Chapter Activities

Des Plaines Valley: Lee Nelson reported they have been busy working on the Fall Tour to Jackson, MI. The Fly In for 2016 is scheduled for May 15.

Fox Valley: Dan Sobczyk reported the Temple tour for the 26th hasn't had many registrations and they are not sure if they need to cancel it. Hotel for the Chicago Map Society tour to Geneva will be \$99 and is scheduled for April 23. The tour, which will follow the 1905 guide book, will be the Fox Valley Chapter "dust off" tour.

Momence: Ernie Hart reported that some of the members will attend the car show at Good Shepherd Manor on September 19. The Christmas party is scheduled for December 13.

Silver Springs: Rick Shaw reported they had good weather for their picnic to Shabbona.

Waukegan/North Shore: Bob Grutza reported they had 35 members at the Lake Forest picnic. They are not going to have a car show next year. The Brighton Run will be November 1.

Old Business - None

New Business

There was a discussion about having a Facebook Page. Many clubs have one and there are several advantages to having one. Chris Schurrer would be willing to help with it, but we need volunteers to set it up. Pat Markert will place an ad for a "Facebook Coordinator" in the next issue of the **Sidelights**.

The November Board Meeting will be hosted by the Momence Chapter on November 14, at 10:30 a.m. at the Bourbonnais Public Library.

The January meeting will be January 16, 2016. Place to be announced.

A discussion was had regarding the National Member numbers being printed in our roster. Many members felt it was important to have them included, so it was decided to keep printing them.

There was a discussion regarding how many cars members can list in the Roster. Some members list several cars. A decision will need to be made early next year before renewals are mailed.

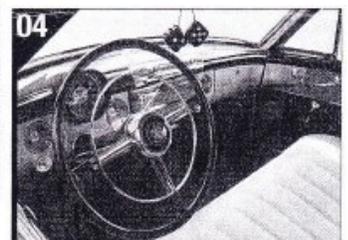

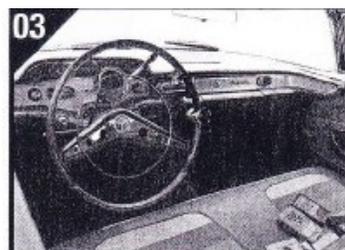

President Juday reminded the members who have the traveling trophies (Cox, McElroy & Lichtfeld) to return them to him at the next Board Meeting. Also at that meeting, nominations will be accepted and voted on for the Lichtfeld Award.

Pat Markert made a motion to adjourn. Chris Schurrer seconded, motion passed.

Meeting adjourned at 2:12 pm.
Respectfully submitted, Shirley Salm, Secretary

STEERING WHEEL QUIZ

Can you identify these cars by the steering wheel and driver's seat? Answer on page 12.
